until June, 1966!

STORY DESCRIPTION

As the houselights dim, the chatter and noise is quickly hushed! The curtain is going up. It is a warm September day of the year 1965. The setting is Menlo-Atherton High School amidst the suburban life of Atherton, California. The action centers around a high school student striving to earn an education while enjoying the benefits and frustrations of youth.

As the play opens on Act I, the student enters high school as a freshman. The difficult classes demand personal responsibility; the rewarding activities and friendships demand more interest and involvement. A new kind of life is beginning.

The plot begins to unfold as Act II continues with the student gaining more knowledge and familiarity with the curriculum. He no longer feels like a novice. He finds self-assurance, a strange but wonderful feeling.

Entering Act III of his high school career, the student begins to feel confident. After all, he is now more than half-way through high school. "From now on it will be a breeze!" he thinks hopefully. Now it's time to go off campus, drive a car, date, and live the carefree life. But what's happening?? Suddenly he finds himself worrying about his future, his success, his happiness.

Finally, Act IV finds the student maturing at a rapid pace. He becomes aware of his ambitions in life and strives to reach his own particular goals. He studies more and brings home better grades. He participates in more school activities. And then the Grand Finale—Graduation—the student takes his first big step into a new world, a new part of life. Will it be what he hopes? What he expects? No, probably not. It will be more, much more, if he has benefited from his exposure to the world of adulthood. It will be the beginning— not "The End."

FACULTY

Principal

"Being a part of the growth of kids is fun" to Principal Donald E. McClean, who has 3 of his own. Mr. McClean tries to identify personally with M-A students through such various means as his little red bomb and his class level talks. Mr. McClean participated energetically in many activities this year, such as the Father-Daughter Dance where he and his daughter played the guitar and sang.

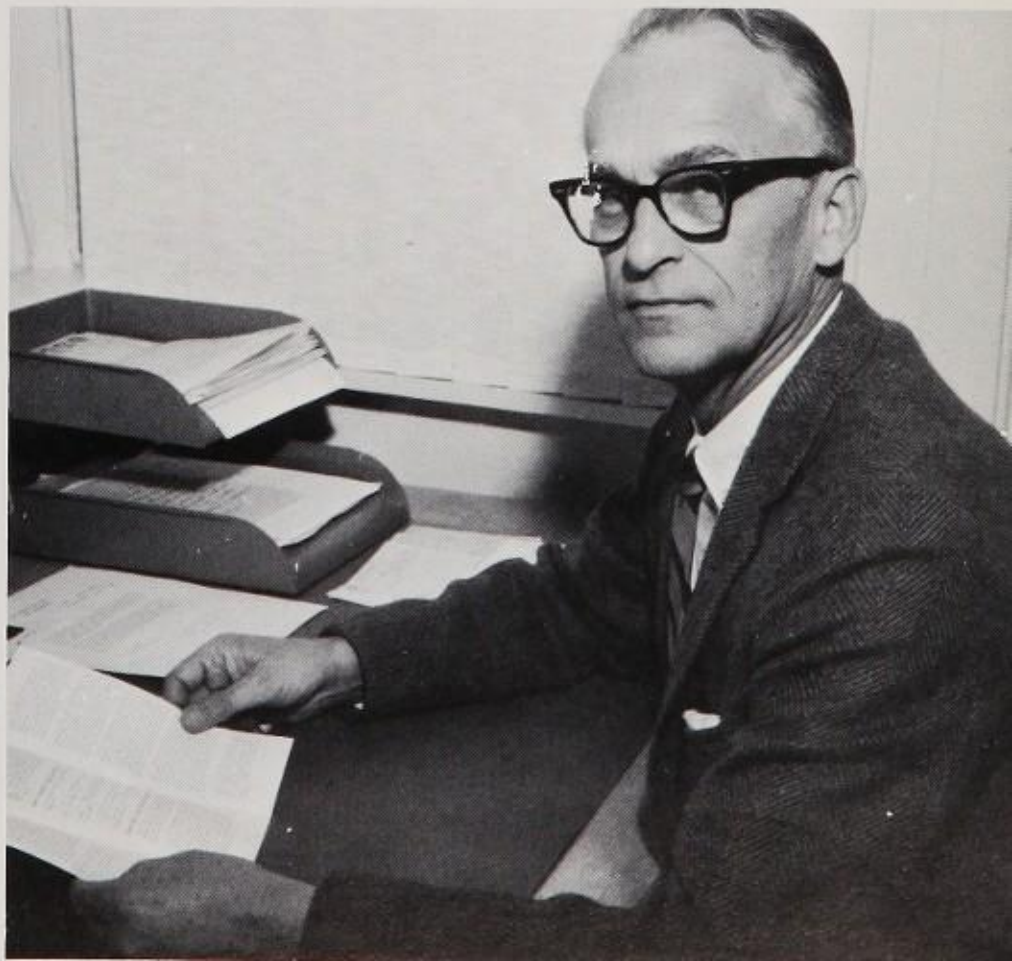
In viewing the past year, Mr. McClean sees some disunity among the M-A student body, but is generally pleased with the students' mature behavior.

Vice-Principals

"Uncle Jimmy" Coffis has stated that everything attempted is on the behalf of the kids and he hopes they realize it. His affection for the student increases his faith in them. I'm really sorry to see them go, he says of the graduating seniors.

Mrs. DuBois feels that this has been a rewarding year because of the fine attitude and enthusiasm of both students and staff. Last year, a different one for our Dean of Girls was spent traveling through Europe, before returning to Stanford for extension studies.

Mr. Finley, as Head Counselor of Menlo-Atherton, regrets that he has had little direct contact with the students. However, he does get an idea of what's going on by working with parents, teachers, and other counselors.



Board of Trustees

Left to Right, Dr. Dean A. Watkins, Mrs. Helen Kerwin, Dr. George P. Chaffey, Mr. Ferris Miles, Dr. Ernest L. Nelson.

Superintendent

Dr. George P. Chaffey, before coming to the Sequoia Union School District, served in Vallejo as deputy superintendent for fourteen years. Before his appointment as deputy superintendent he was President of the Vallejo Junior College.

Dr. Chaffey has had over twenty years experience in administrative duties, and has done much work with personnel.

Dr. Chaffey is married and has two children, a son, who is graduating from the Bolt Hall of Law, at the University of California at Berkeley, and a daughter who is a junior at Humboldt State. Dr. Chaffey also graduated form the University of California at Berkeley.

Secretaries

Left to Right, Mrs. King, Miss Raus, Mrs. Mitchell, Mrs. Johnson, Mrs. Campbell, Mrs. Chapman, Mrs. Lechnar, Mrs. Prior.

Student Advisors

This year, helping the student body, was Mr. Richard Hanson, Mrs. Laura Doyle, and Mr. Clarence O'Donnell. Mr. Hanson assisted in the running of the leg. council and helped the students with the organization of assemblies.

Mrs. Doyle handled testing and scholarships. She made known many scholarships offered, that would have otherwise gone to waste.

Mr. O'Donnell supervised the work experience program this year. One of the main roles of this job was helping to place students in credit earning work experience.

Mr. Hanson, Mrs. Doyle, Mr. O'Donnell

Lunchroom

Left to right. Mrs. McCain, Mrs. Barca, Mrs. Kucich, Mrs. Rapley, Mrs. Ross, Mrs. Pomeroy.

Left to Right, Mrs. Gilderoy, Mr. Bufis, Mrs. Cramer

Librarians

The Librarians seemed pleased with the general behavior of the students this year. One problem quoted was that of the central location of the library and its tendency to become a club room or gathering place for the student body. Another problem is the students' lack of knowledge concerning library procedures.

The Librarians were very busy this year, helping to set up the new facilities to assist students with reading problems that will be put into use next year.

Maintenance

Nurse

Mrs. Fadel-Idriss enjoys working with the high school age group. She feels that her major problem is lack of direct contact with the students to explain her role as school nurse. Her job, surprisingly, varies from obtaining health education films to suggesting safety devices. She also informs teachers of health problems and organizes hearing and vision tests. She played an active part in this year's V.D. education series.

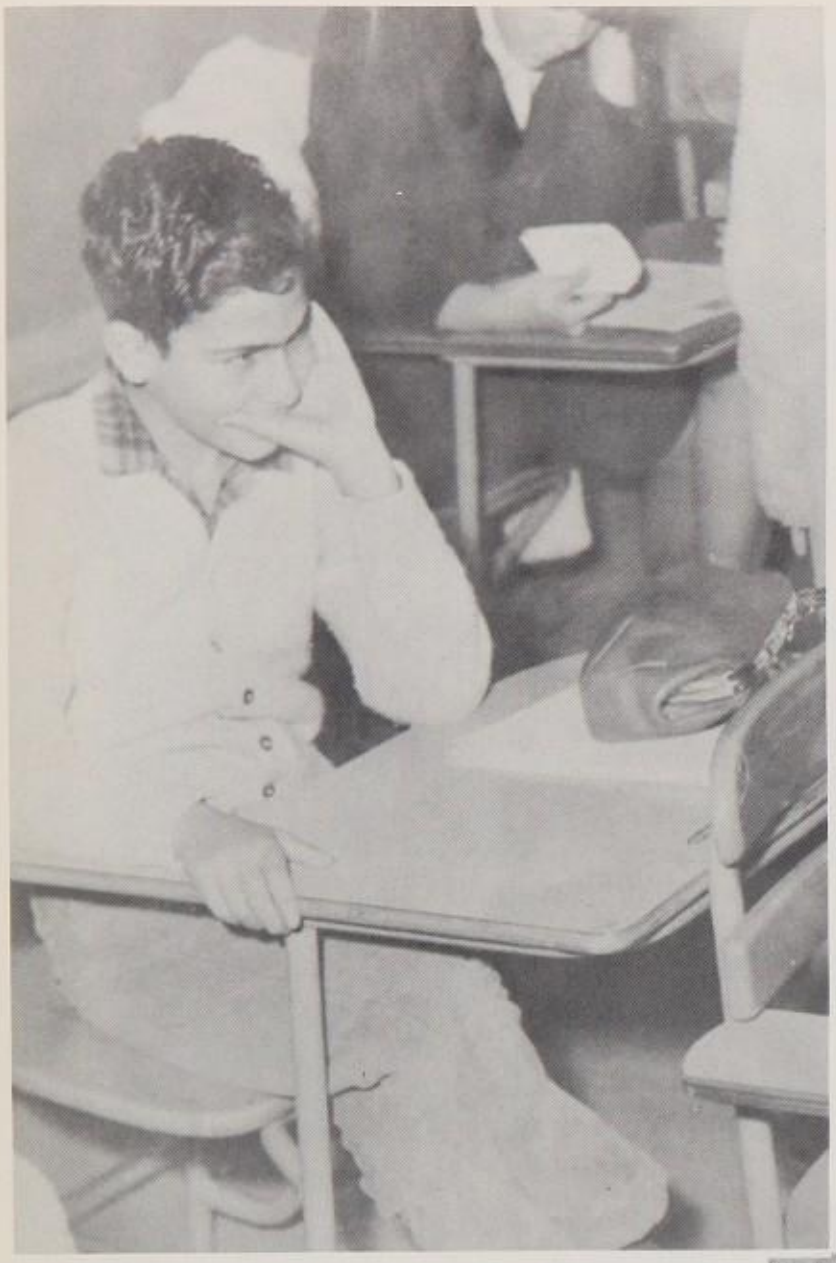
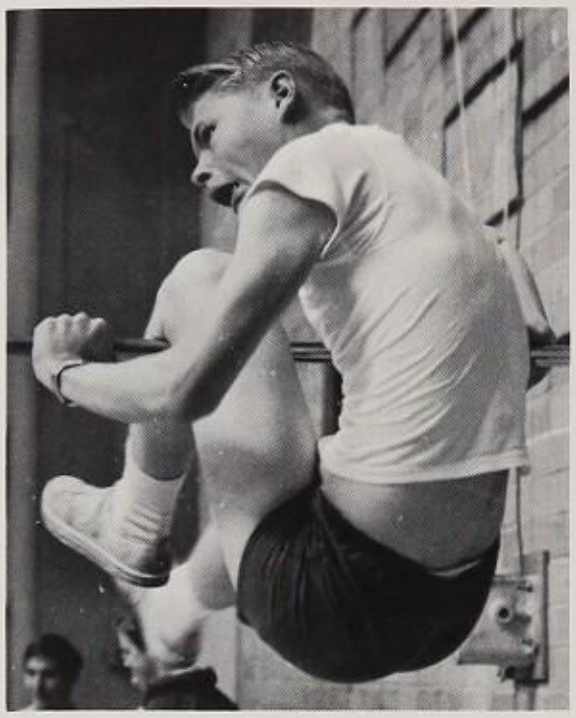
Candids



Gee, I wonder if anyone noticed my new purse.



HELP! I can't make it over.

In the middle of the afternoon . . . Isn't it a little early?

Fourteen miles to Gotham City . . .

Would you like a bib?

I want to be a sailor, not a model.

Come on dear, let's find ourselves a table.

After final breakdown.

Candids

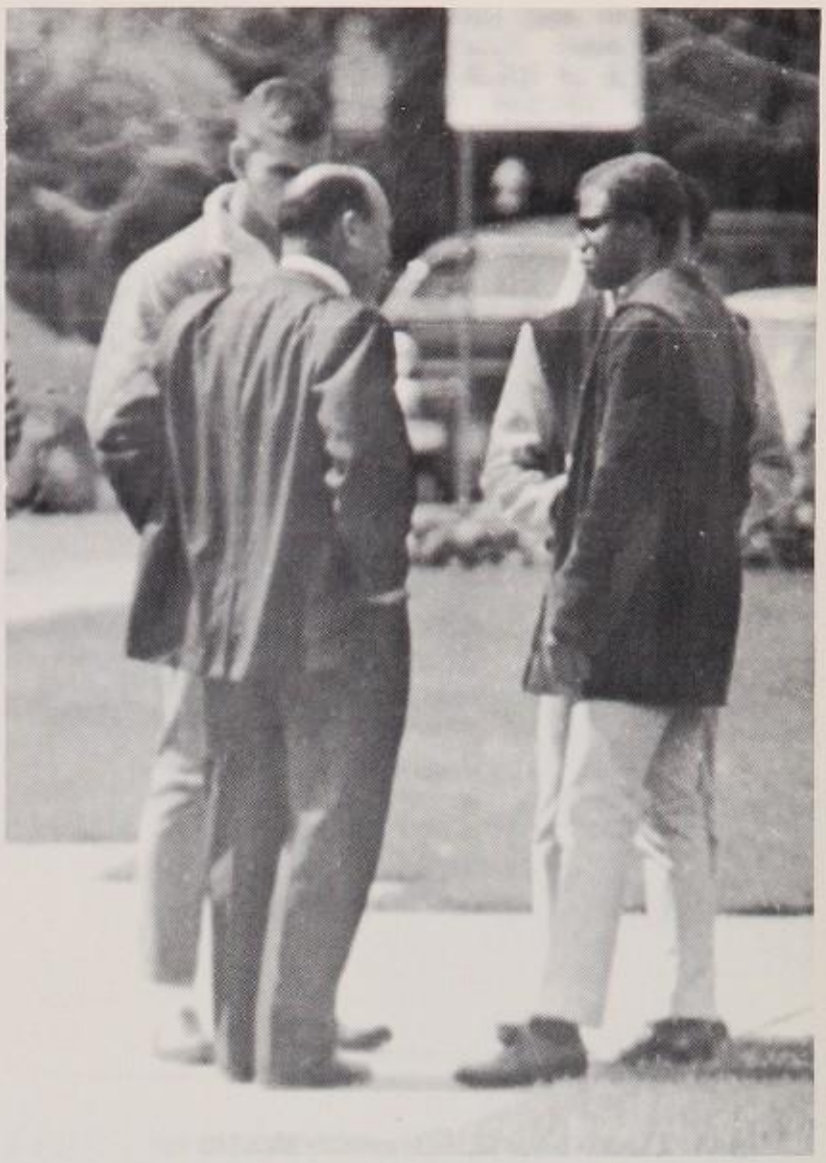
Close your mouth John, there's not a girl there.

. . . and another boring lecture.

Mrs. Hoffman taught me that one.

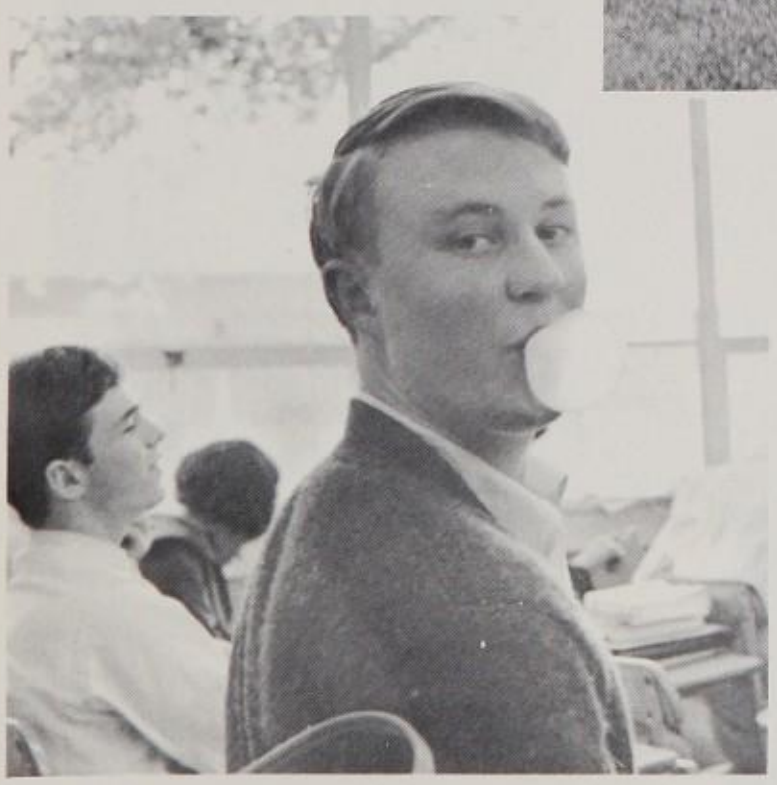
You used to be my friend—

There *are* times when I act this way.



Ya gota light?

Who me, worry?



Who says class is boring??

What did you say her name was?

Candids

Which one has the "Toni"?

You ought to see our kids?

A one, and a two, and . . .

How do I get out of this mess?

If anything else goes wrong!

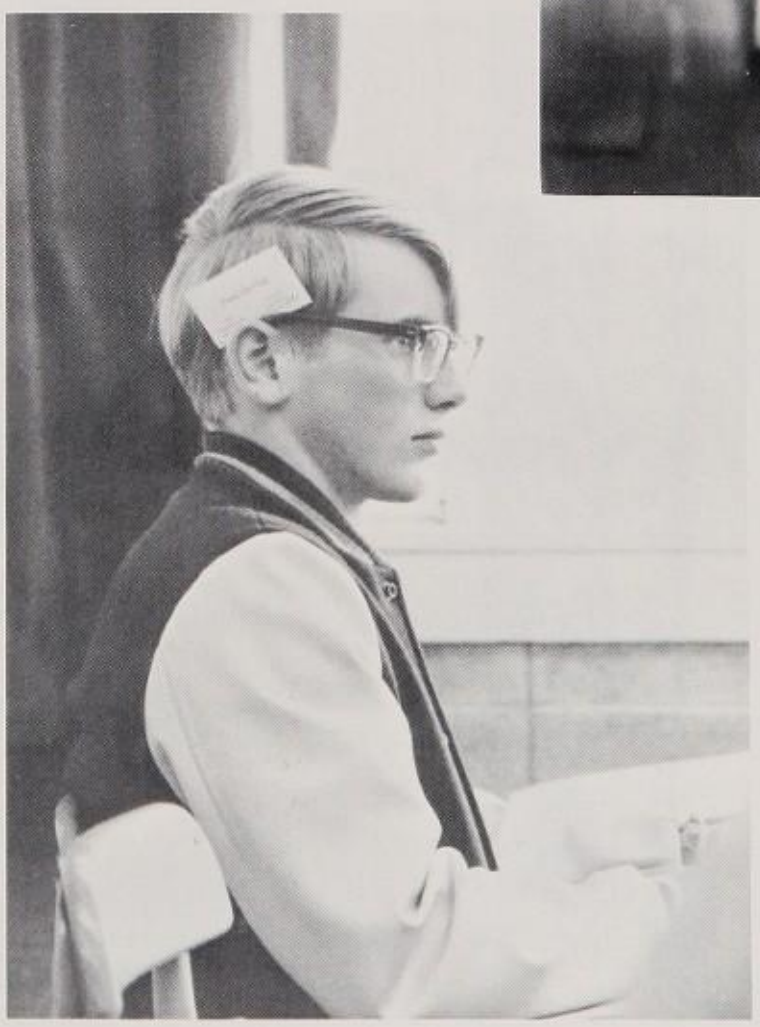
Henpecked at 18???

Slide Martin at Laguna Seca.

Anyone want to come fly with me?

But why wasn't the *Flies* a success, doesn't anyone understand existentialism?

The IN crowd.



But Mr. Castoro we can't have homework tonight; there's "Young Life."

Pom Pon Girls

Drill Team

Menlo-Atherton's Drill Team, the Teddy Bears, consists of 40 smiling girls, five officers, and one very devoted director, Mrs. Libby Jo Stillman. The girls' duties include performing at half time for both football and basketball games. Head captain was Terri Harris. Donna Brock, Jeannine Connor, Sally Durban, and Mady Reilly were the co-captains.

Members of the Drill Team from left to right were: Bottom Row: Barbara Lyddane, Pam Silvas, Ginny Hamilton, Patty Barron, Cathy Neifing, Donna

1965-1966

Brock, Leslie Rosentrater, Pam Gawthrop, Sally Durban, Ann Carmen, and Cathy Stashuk. Middle Row: Marian Spotswood, Heidi Tuffli, Donna Chamberlain, Lynn Hanbery, Jeannine Connor, Nancy Felts, Hillary Adams, Diane Walcher, Lynn Jones, Sue Oberg, Marilyn Tindall, Barb Thompson, and Chris Abrusci. Top Row: Karen Schooley, Ada Rempen, Terri Harris, Judy Whitney, Mady Reilly, Jane Taylor, Dede Moore, Cynthia Barry, Lynn Albachten, Gail Taramaschi, Rita Torbick, and Candy Cummins.

Homecoming

Judy Young

Joan L'Hommedieu

Menlo-Atherton's Football Team for 1965 hailed Doreen Hamilton as its queen for this season at the San Carlos football game, at Terremere Field, on Wednesday night, November 24. Despite the rainy weather, Doreen and her court, O. J. Devincenzi, Joan L'Hommedieu,

Doreen Hamilton

Barbara Lyddane

O. J. Devincenz

Barbara Lyddane, and Judy Young seemed to be M-A's most beautiful royalty candidates yet. At half-time, football captains Colby Howe and Ed Dobbs presented the flowers to the princesses and crowned Doreen queen on a float of maroon and gold flowers.

Bear and Pep Band

Peggy Haseltine

Meg Greeve

If you've seen a medium sized girl with bright red hair around school, chances are that you saw this year's mascot, the M-A bear unmasked. The happy soul inside the bear suit was Peggy Haseltine. Acting as her alternate, Meg Greeve appeared at many games, too, when Peggy was hibernating!

These eight faithful members of M-A's Pep Band patriotically performed in sun and rain throughout both football and basketball seasons. Al Johansen was this year's head bandman. He was responsible for seeing that all the members arrived at the games and pleased the pom pon girls! Those members from right to left were: Al Johansen, Bruce Smith, Dave Iversen, Greg Coben, Kirsten Hansen, Jim Robertson, Keith Piersen, Kathy McKusick.

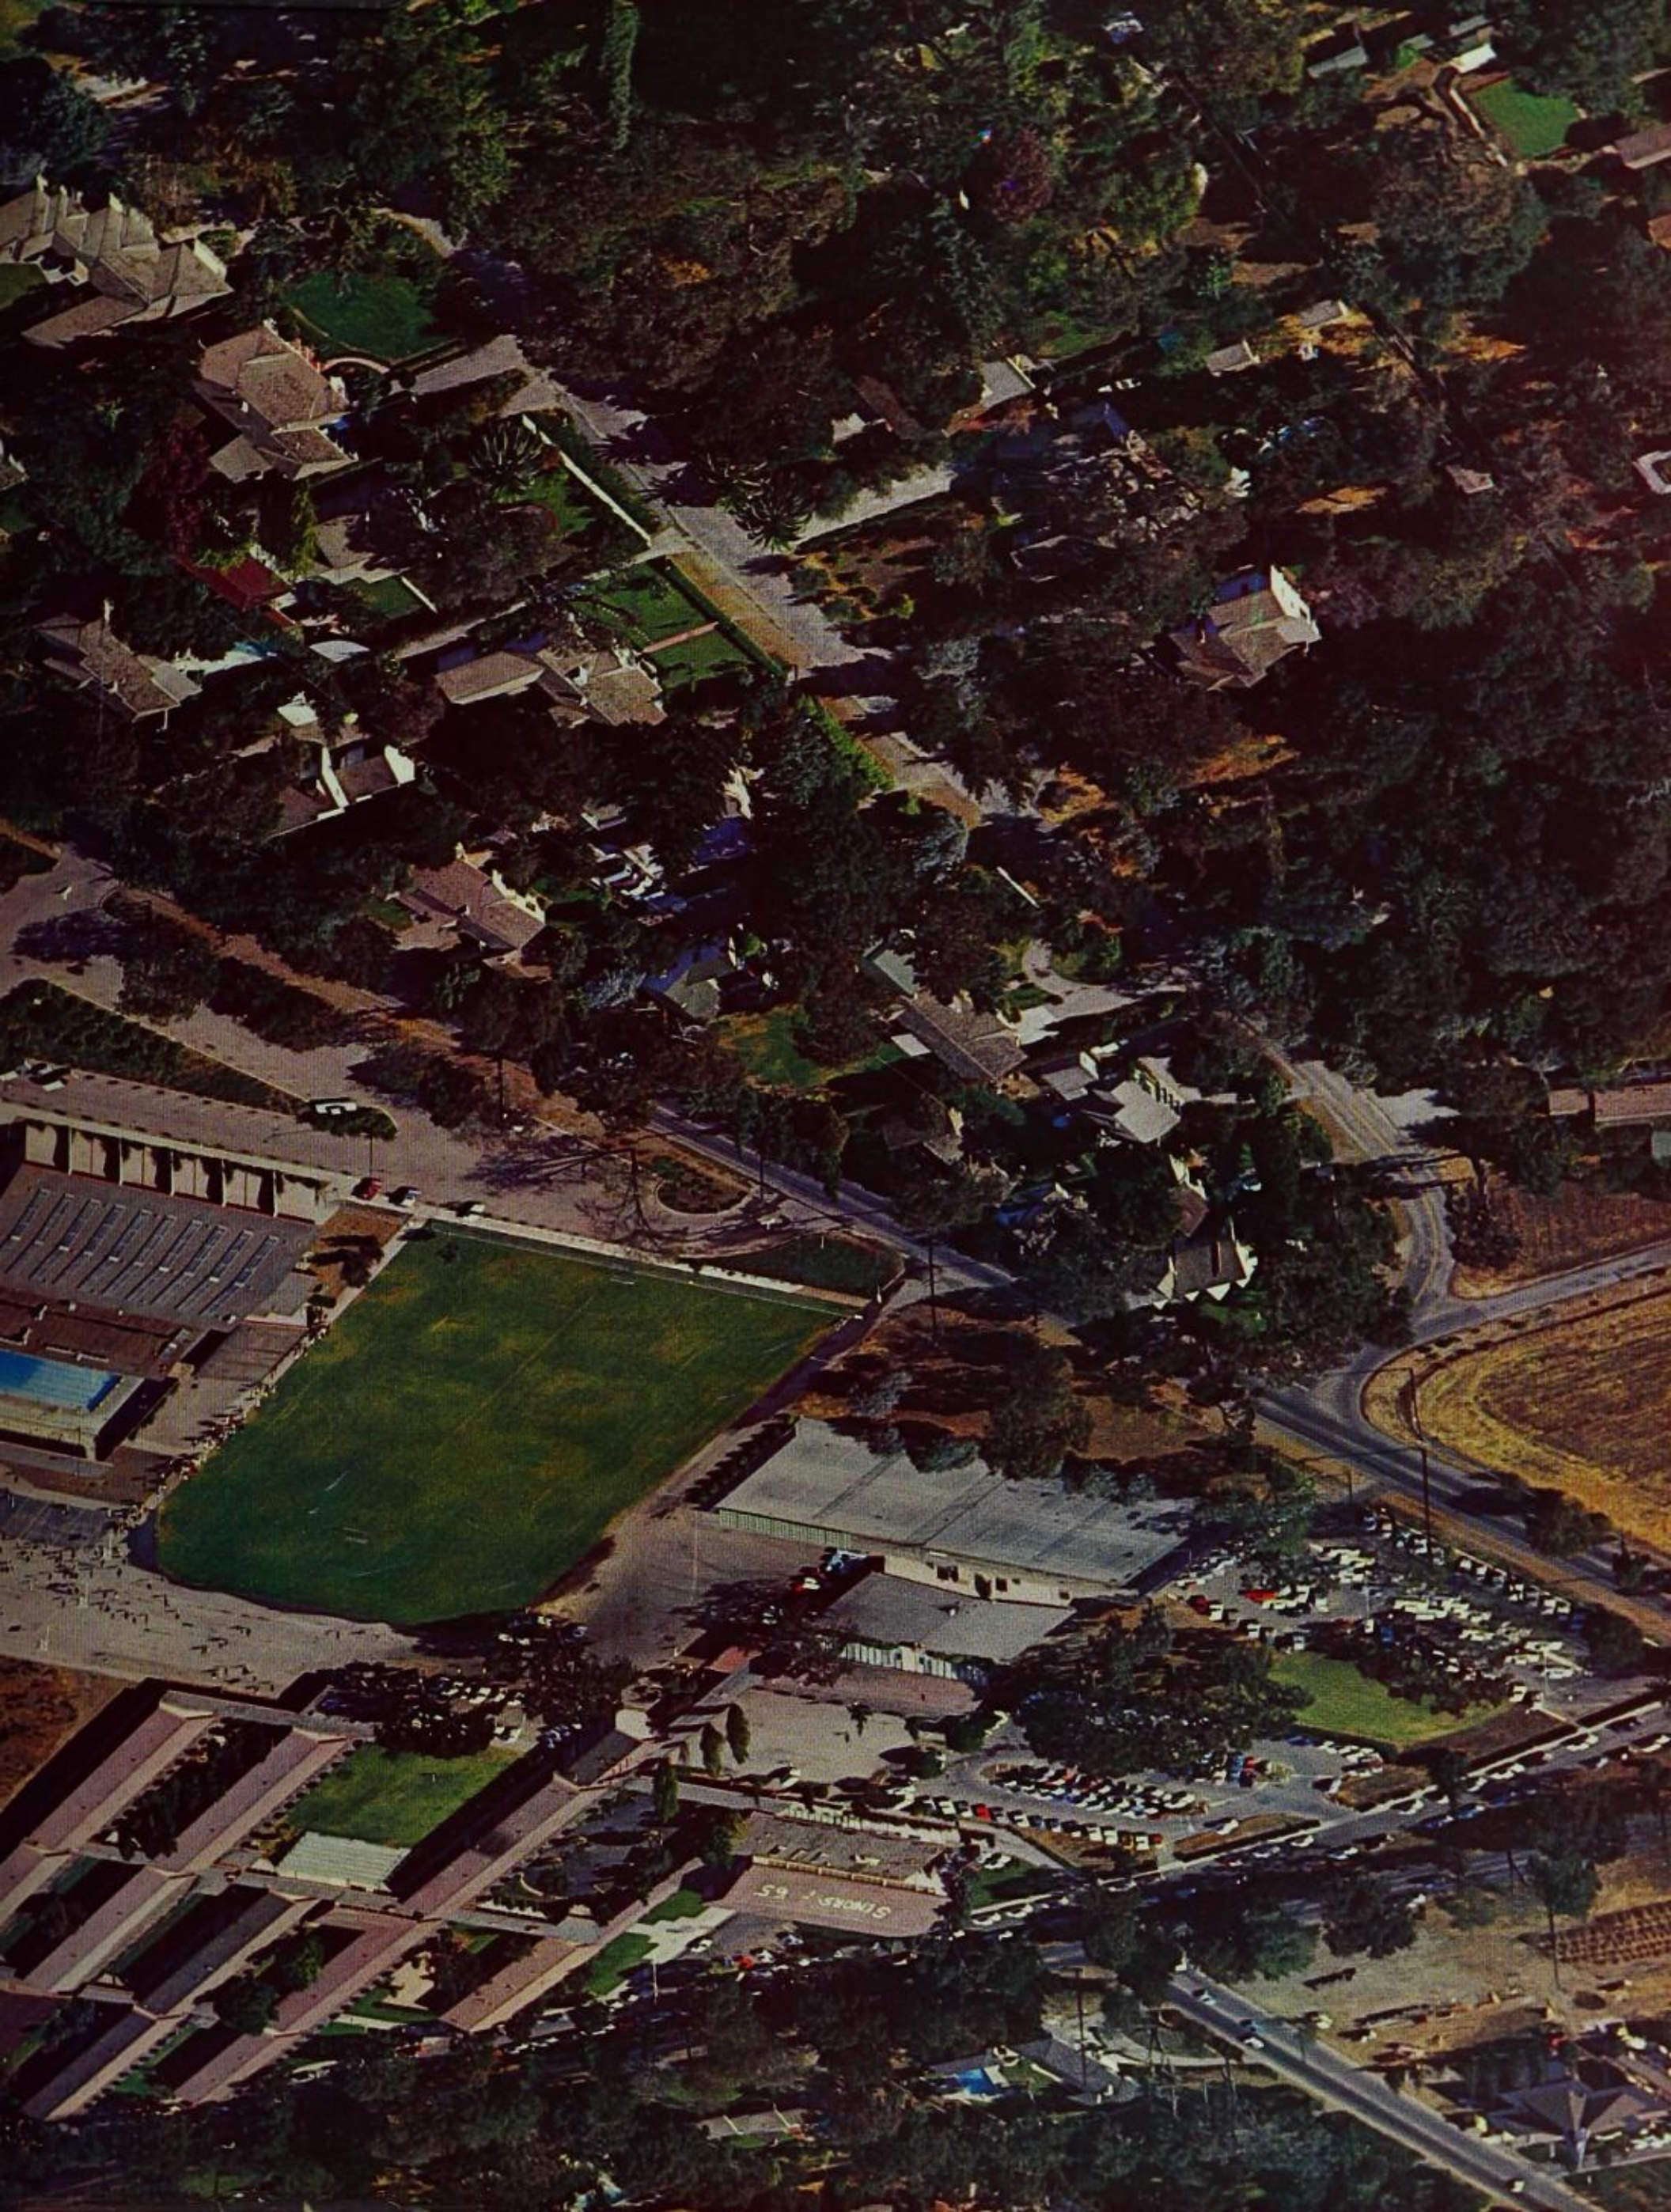
A MESSAGE FROM THE PRINCIPAL

"Well, when you're less than number one, you just have to try harder. I do not mean by trying to win contests, but by making the effort to be the type of student body of which you can be proud. Your recent efforts suggest that you can unify around a common purpose. I sincerely wish for us to continue these efforts next school year in all that we do. As for your most recent personal support I wish to extend a very warm and humble thanks to *my favorite students.*"



The Night of

...e Eastern Sea

JUNIOR PROM '66

Highlighting the year for many juniors was The Night of the Eastern Sea held at the Menlo Park Recreation Center. Lanterns and cherry blossoms created an oriental setting. Music was provided by Walt Talleson. The March 5th event featured the crowning of Queen Bonnie Laird, escorted by Mike Beall. The attendants and their escorts were Holly Downing and Jerry Stolaroff, Sue Coonrad and Bob Brigham, Ginny Hamilton and Dave Gow, and Susan Taylor and Tom Ford.

Fall's First

Renewing an old tradition this year, M-A hosted another stag dance for its first social fling of the year. There was one difference, though: the doors were open to all classes instead of frosh-soph only. The band was the "Intrepids", and students danced their way from 8 to 11 in everything from sweatshirts to sport coats.

Christmas Magic

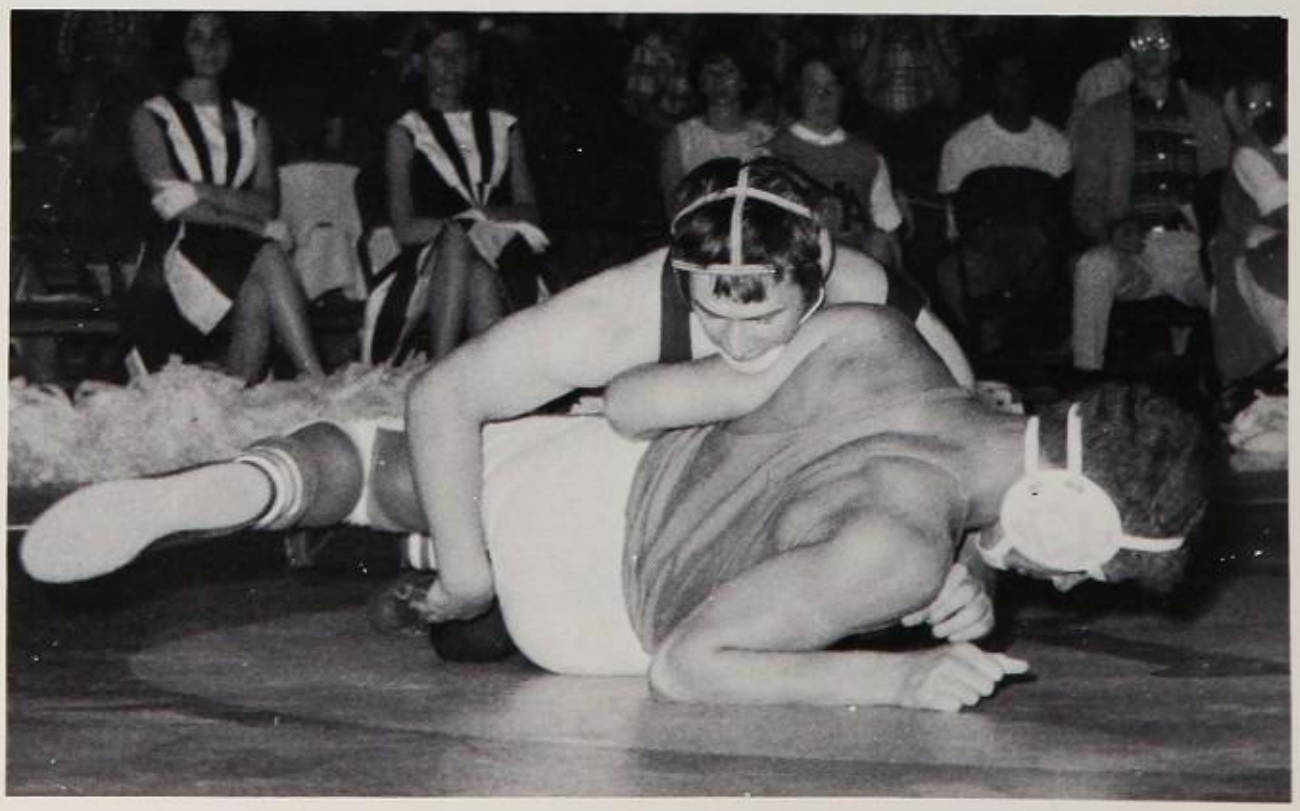
Our Social Board for 1965 presented the "Shames" for the season's dance, "Christmas Magic," held in "J" building on December 10th from 8:30 to 11:30. Junior Jody Moring and her singing proved to be the highlight of the evening.

Bear's Night

On April 22, 1966, the first annual Bear's Night was held. Color, music, and flags international introduced the new and exciting event at Menlo-Atherton. Devoting his time and suggestions to the event was Mr. Mark Enayati, one of the new athletic instructors at M-A. Boxing, wrestling, and karate were the three big events of the night. Staged in 'T' building, there was even a professional boxing ring, complete with trainers!

Dave Copeland was awarded the most valuable player award for wrestling.

The event was a tremendous success, and in the future will be one of the biggest at M-A.



Awards Assembly

Rallies and

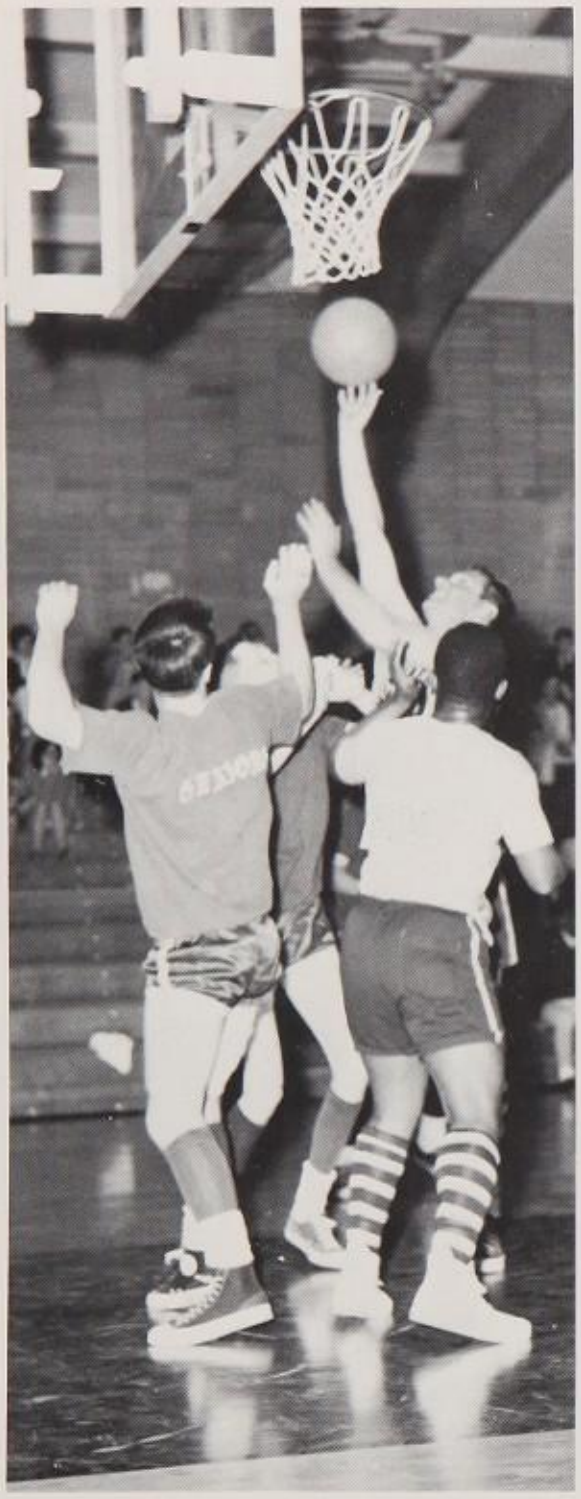
Faithfully coming through to promote school spirit at all times, the cheerleaders, bear, pom pon girls, pep band, and Spirit Commissioner held lunch rallies out on Graduation green during the football season.

Assemblies

To start out the school year with lots of spirit, in September an all school rally was held in 'T' building to introduce the football players, new spirit leaders and kick off student body card sales.

Probably one of the best assemblies of the year at M-A was the Homecoming rally. It was the time of year when pom pon girls and cheerleaders returned from the past to perform, when the presentation of the Football princesses were made and excitement was in the air. This year the Homecoming assembly was better than ever with the help of the folk-singing team Byron & Howard who guest-starred at the assembly. The M-A band and Drill Team also performed.

Senior



Mr. Corbin goes up for 2 as Lee Zirbel prepares to throw a left hook.

Mr. Ogren commits a personal foul against members of the Senior Girls' Team.

The "Spirited" Senior Team.

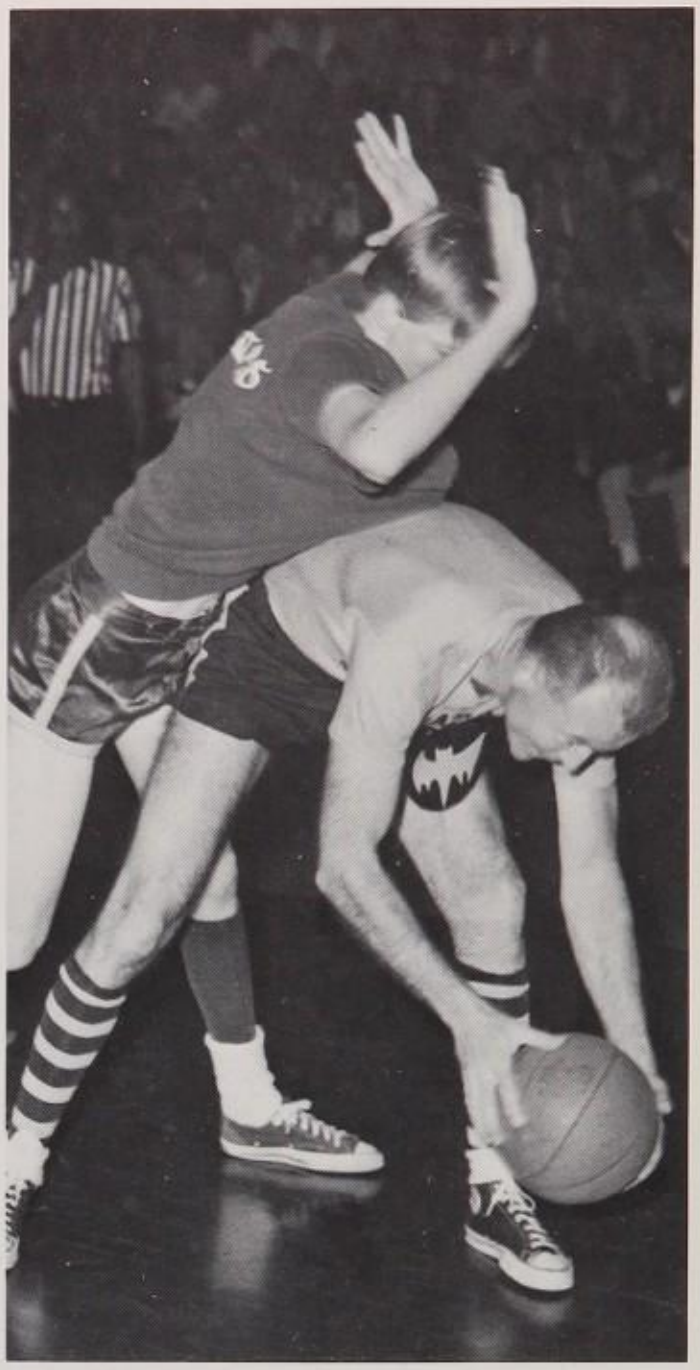
Senior Coach Jay Fraser gives orders to his attentive bench.

The Pom-Pon Girls, dressed as Bat Women, kept the crowd interested during halftime and times out.

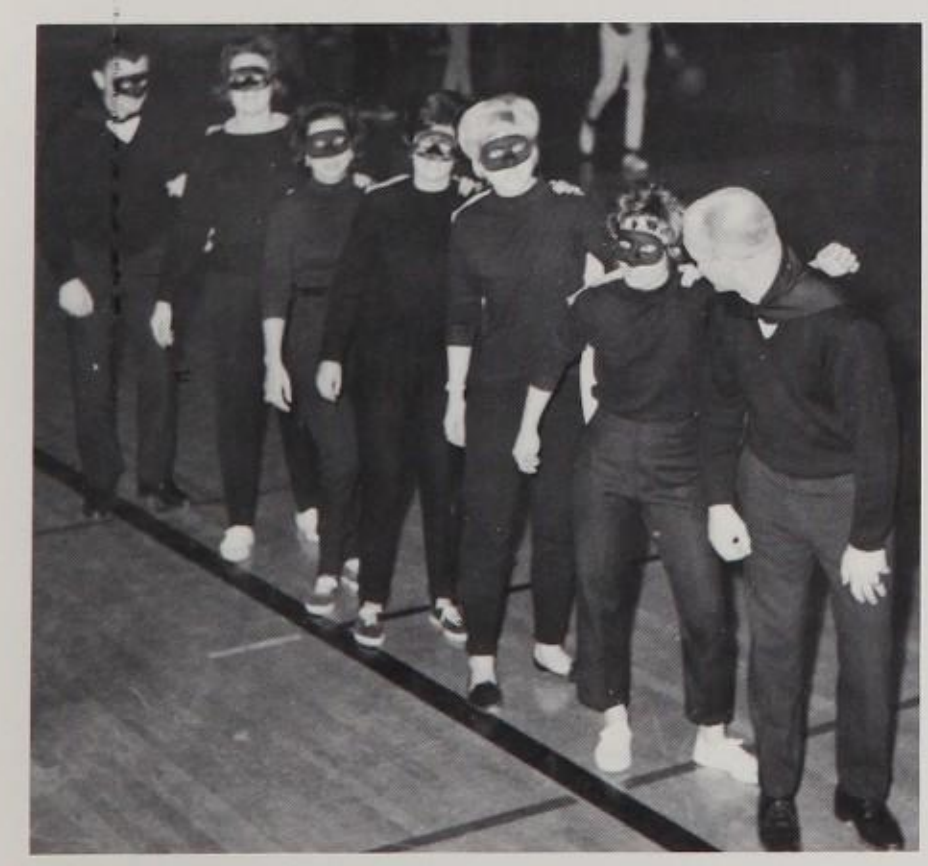
Faculty

The Fatmen come in with a pow.

Though the Fatmen looked tired before the game started, they beat the Mighty Seniors with a score of 48-46.



Lee Zirbel stuns Mr. Sayle with a judo chop in an attempt to gain control of the ball.



The Faculty Cheerleaders, also dressed in Bat Costumes, were busy throughout the evening leading yells for the Fatmen.

Referee Roscoe Dudley blows his whistle as Mr. McComber fouls the Senior Girls.

Senior Play

The play, "The Flies", directed by Mr. Lee Clements, was staged for this year's Senior play. This play, produced on March 25-27, introduced a new side to Menlo-Atherton acting, for it was entirely dramatical. Included in the evening performances was another short play named "The Bald Soprano." It was staged as almost a mood introduction for the main play, "The Flies." The acting was marvelous, and credit is due to Mr. Clements for attempting the new style of play.

The cast was smaller than ever before for a play at Menlo-Atherton, and had six main character parts played by: David Else, Carole Laxson, Lane Robertson, Steven Weber, Mike Zadig, and Jo Robbins.

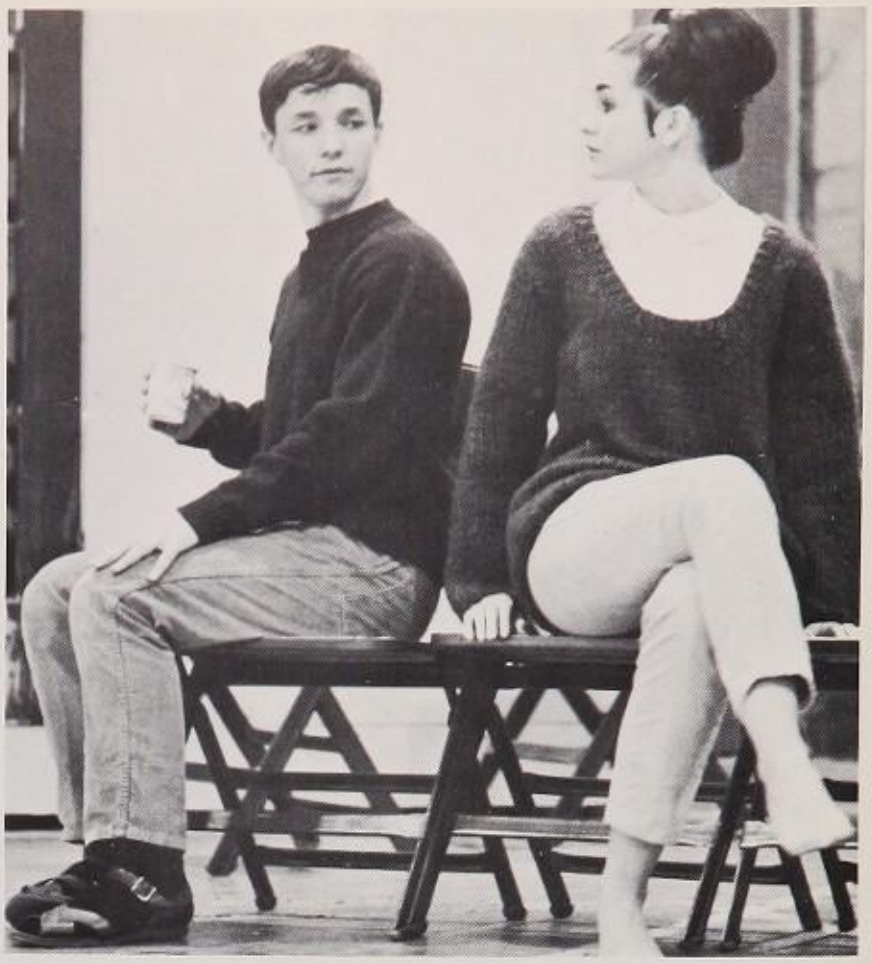
"High Spirits" was this year's student production. It was presented on November 4th, 5th, and 6th in "J" building, under the direction of Mr. Lee Clements. The plot involved a man, Mr. Condomine, and his two wives, one dead and one alive. Steve Weber took the lead role as Mr. Condomine, Jo Robbins as his "deadly" wife, Wendy Sterne as the "lively" wife, and Heidi Tuffli as the gypsy woman who created the whole problem.



There are many other groups who work on the plays to help make them successful. The make-up committee is one of those groups. The girls stayed long hours after the curtain went down to help organize and set up for the next night of the production.

Modern Chorale

Working with M-A's vocal group this year, the Modern Chorale, was the new director, Mr. William Abersold. He led these fine voices on to receive an honor never bestowed on an M-A choir group before. These 70 persons had the opportunity to go to Santa Barbara and sing for the Music Educators Board on April 4, 1966. Pictured are: Hillary Adams, Lynn Alm, Chris Beebe, JoAnne Benson, Kathy Bloom, Linda Bryant, Jackie Davis, Joan Duhamel, Gail Futernick, Pat Girard, Mary Hewitt, Francie Lazier, Sue Mangis, Jody Moreing, Janice Moore, Maddy Reilly, Laura Schanzer, Linda Schulze, Susan Schuyler, Ilene Scott, Pam Silvas, Ann Taylor, Heidi Tuffli, Renee Turner, Rocky Winston, Sue Arcady, Mary McGettigan, Judy Rockenfield, Mary Lou Cooper, Linda Weldon, Judy Rich, Susan Lang, Beth McClure, Cheri Bacon, Jan Henke, Stepha Genelza, Marilyn Voorheis, Gwen Taylor, Bette Wolfenden, Eric Bailey, Eric Baker, Kelvin Boyd, Wiley Brewer, Dick Costa, Bert Friden, Pete Giberson, Jackie Golden, John Graze, Ron Hadden, Gary Jennings, Clyde Jetter, Steve Jones, Rick Morton, Bob Norris, John Norris, Gene Siess, Mark Sjoberg, Pete Spencer, Don Swartz, Jeff Taylor, Eric Thompson, Ray Walker, David Weber, Paul Woodland, John Brawthen, David Abrahamson, Jack Nevin, Brad Johnson, Stormy Weems.

Turkey Trot

On November 22, 1965, Mr. Plato Yanicks, Menlo-Atherton's track coach, introduced a new event to add to M-A's list of activities, The Turkey Trot. As could be expected from the title of the sport—the first prizes were turkeys. The sport consisted of the following events: a women's relay bicycle race around the track, won by Mrs. Stillman and her team; a men's faculty 50-yard dash, won by Mr. Stern; a faculty men's cross-country race, won by M-A's new, but vibrant chemistry teacher, Mr. Hamm; a girls' cross-country race, Alice Stapleton was the winner of that race; a handicap race for those members of M-A's cross-country team, and that was won by Gordon Krengel; and last, but not least, a non-athletic boys' race, won by the boy pictured in the Santa Claus hat—rather John Granger.

The "Turkey Trot" is now on its way to becoming a tradition here at M-A.

Rec Nights

Soph

The Frosh-Soph Rec nights were a big success for M-A underclassmen this year. They were entertained with games and danced to live bands.

Frosh

At intermission time the guests were entertained by some very special father-daughter acts. Dr. George Downing and daughter, Lucy, played the trumpet and guitar together. Mr. James Nicks and daughter, Stevie, sang duets. Mr. Emmett MacCorkle and our Senior cheerleader, Alice, rocked out on stage with a "roaring 20's" Charleston. Last, but of course not least, our hororable principal, Mr Donald McClean, played the guitar while harmonizing with his lovely daughter .

My Heart Belongs To Daddy

"My Heart Belongs to Daddy," was the theme for the 1966 Valentine's dance at Menlo-Atherton. There was a new switch to the "lover's day" affair, though, because it was a daughter-invite-father event. The fathers were in their best spirits, attempting everything from the twist to the old-fashioned fox trot

Oak Leaves

The Oak Leaves literary magazine this year was edited by Carolyn Polese. Tom Osborne, Jo Robbins, Bonnie Richards, Dick Rubin, and Nadya Luck headed the important sections for the publication. Although it was hard to top the 1965 edition, this group managed to do it.

BEAR TRACKS

Volume 1966 Edition XV

JOHN ABRAMS—NO TITLE NEEDED HERE!

The smiling junior boy pictured above is the illustrious editor of the fantastic newspaper, *Bear Tracks*. Specializing in exposés this year, John and his conspirator, Slide Martin, made quite a number of friends—what was the name of that group again? Oh yes, the Legislative Council was one of the groups that John wrote of so fondly.

John made many contributions to the paper, one of these being he had the privilege of becoming Boy of the Week. In his own Paper? Oh well, every paper has its ups and downs. John was a good editor, though, probably the best the paper ever had, and he certainly will always be remembered by the efficient, kind, and friendly way in which he helped his staff produce the paper.

SPECIAL! LINDA HUBBARD IS AWARDED BEAR TRACKS GOLDEN PAW FOR HER DEVOTION TO THE WORLD OF JOURNALISM!

Linda Hubbard was given the coveted prize, the Bear Tracks golden paw, on the last day of school, June 17, 1966. Linda deserved the award. She never failed her responsibilities in producing her pages in the paper. As assistant Editor, she could be found anytime you needed her. There she would be, sitting in the back room of H-8, eating her tuna fish sandwiches, and asking, "What is the Senior Ball," or "I wonder what Ray Lummis is doing now." She did a great job.

NEWS EDITOR FOUND DEAD IN CLOSET ! ! ! FLASH!

Lending charm and talent to the newspaper this year "was" Junior Prom Wallflower Princess, Brenda Blackmore. Poor old Brenda was the most industrious member of the staff, for she was always there. The only question I have is, "Why didn't they ever let her out?" After completing her wonderful, spectacular news page, and receiving so many kind remarks from John Abrams and Dick Martin, one would often find her sitting in the closet in H-8. But once we forgot Brenda. I know that those members of the *Bear Tracks* staff and Yearbook staff will remember Brenda giving helpful hints to Charlie Burton, like "Remember Charlie, nobody loves a reject!"

SPECIAL EXPOSE FOR EDITION XV ! ! !

Where is the darkroom? It's that small room on wing B where one will often see blue smoke curling out of the door. And what will one find in there? Dick Martin, alias "Slide", developing! What is he developing? Oh, Legislative Council exposés, new ways to misspell names, Heap of the Week columns for his best friends, arranging shady deals with the ASMA president, turning out fake identifications, and hidden under all of this we found! Ah Ha!!! A book on how to be voted "Best Dressed" in your Senior Class! So now the truth is out! Now we have one thing left to say; *"Top This Exposé, Slide!"*

CHARLES G. BURTON—BOY WONDER

Charlie Burton, otherwise known as "Big Chuck," was the Sports Editor for this year's paper. Charlie did a wonderful job on his pages without help from anyone. He was best known for his straight and original headlines, like "Bears Beat Off Cougars!" Because Charlie liked oranges so much, we of H-8 nicknamed him "Fruit." One would often hear statements being directed to Charlie like, "Hey Fruit, come staple these pages together!"

There is one piece of advice that we of H-8 would like to give Charlie, though: "Quit smoking, Charlie, it'll stunt your growth!"

FAWNIE STARIN WINS AWARD FOR ATTENDING SCHOOL FIVE DAYS A WEEK . . . BUT WHERE IS SHE NOW ! ! !

On February 17, 1966 Fawnie Starin was given a Bear Tracks award for showing up in class 5 days *in one* week! Fawnie had the talent for not only being the Advertising Manager for the paper, but doing it on an average of two days a week. This required skill and know-how on her part. One day someone said, "Who's that girl in the back room typing? Could that be Fawnie?" Then Fawnie wanted

to prove that she *could* make it to school 5, not 2 or 3, but 5 days a week, and she did. The following week, a great celebration was held in H-8 for her. A huge cake was made in her honor, but I guess it was too much for her because we haven't seen her since.

GIRL MAULED BY MACHINE!

After a year of friendly devotion and service to reporter Lisa King, the *Bear Tracks* printing press turned against her in a fit of rage and tore her left finger to shreds. The wound can still be seen, for she had her finger in a cast for 6 months. Undaunted by that mishap, Lisa continued to run the press for the benefit and enlightenment of the entire student body. She deserves a vote of thanks—I hereby vote you thanks, Lisa.

1965 Menlo-Atherton

Back Row: Coach Art Boettecher, Dave Gow, Ken Jesse, Ben Browning, Steve Brown, Jim Brett, Colby Howe. Middle Row: Assistant Coach John Barrette, Randy Robinette, Earl Downing, Bob Matuat, Ernie Coco, Ed Dobbs, Mark Shwietzer, Terry Eagan. Front Row: Jerry Cooper, Rick Dezur, Hugh Carter, Cecil Hall.

1965 proved to the SPAL that the Menlo-Atherton Varsity Football squad still has what it takes to be Championship contenders. Ironically, this year's squad had a better won-lost record, 6-2-1, than last year's team, 6-3. The Bears also beat Palo Alto, who went on to win the Championship, a Championship which M-A lost by one point. One of the very finest defensive squads in the league, backed up by a very powerful offensive backfield helped the Bears end the season in a very strong and undisputed third place.

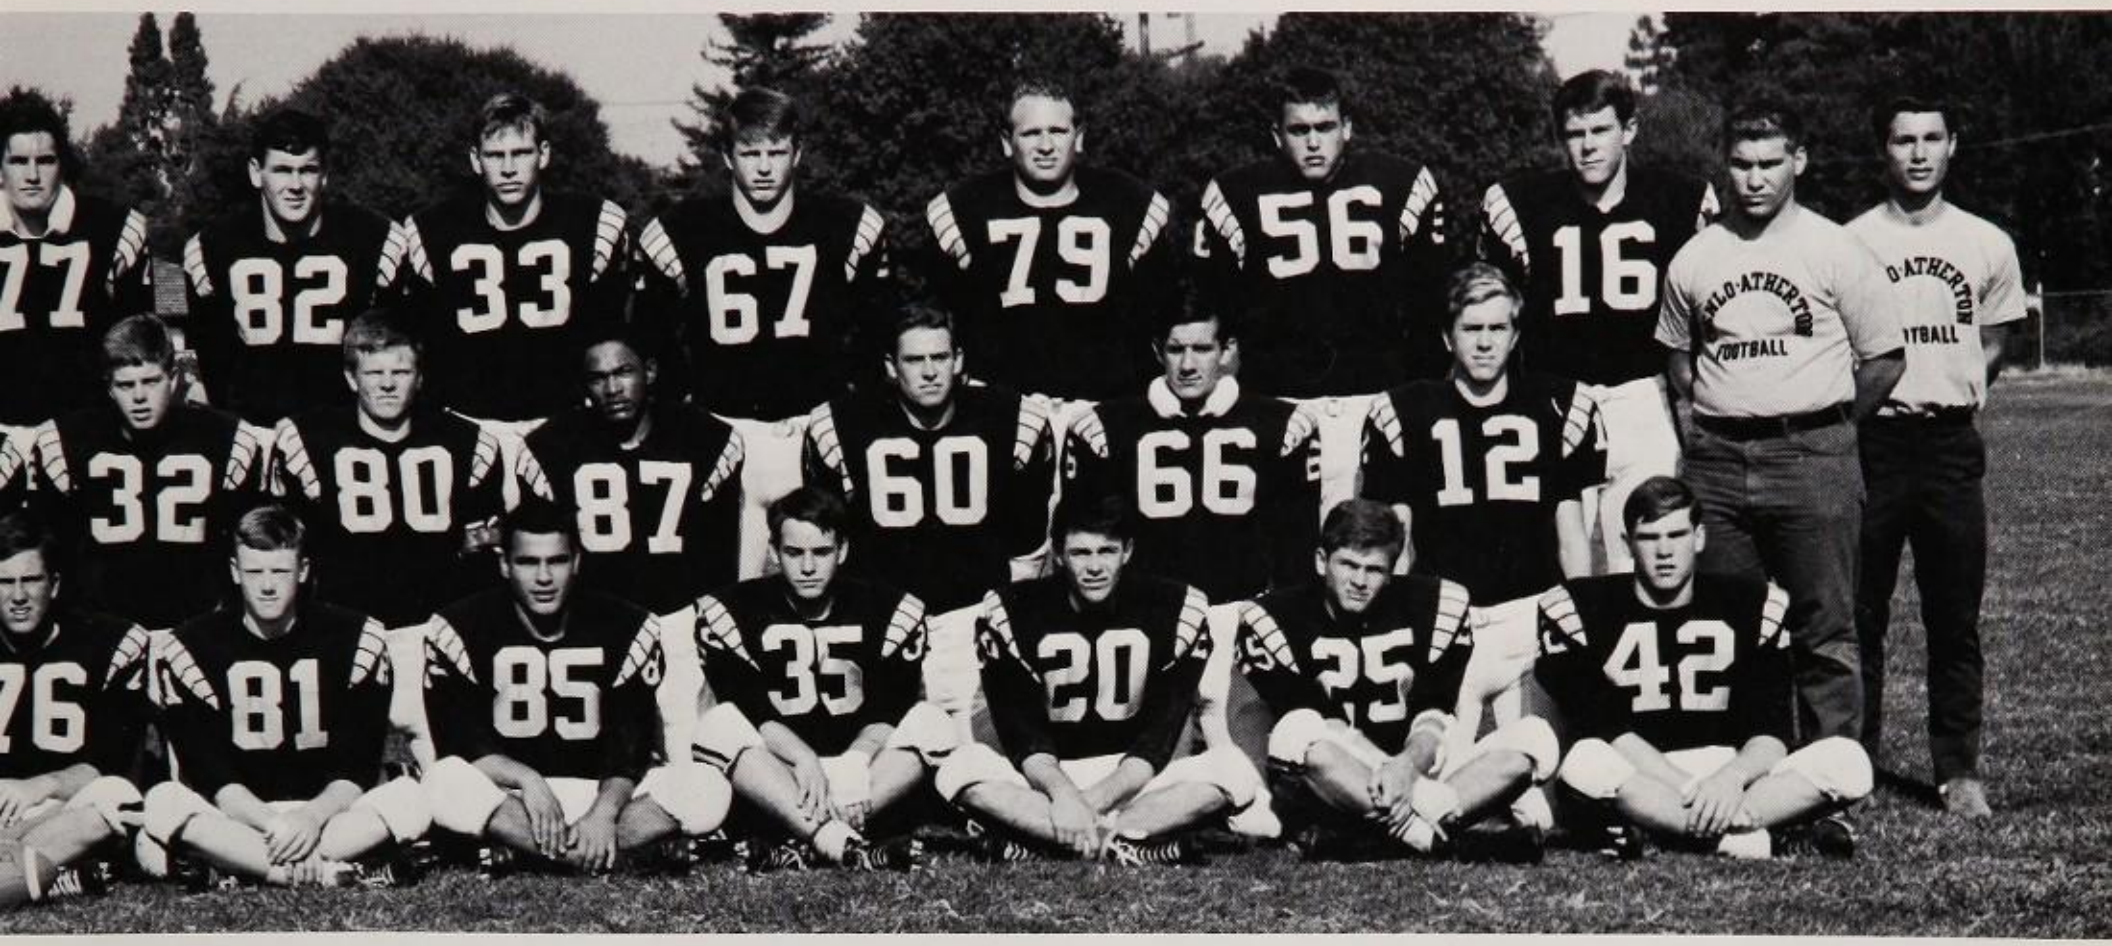
Varsity Football Review



Back Row: Danny Fuller, Dave Copeland, Rond Ward, Rob Rogers, Ray Lummus, John Whitzel, Roger Andrews, Manager Eugene Draga, Manager Rick Lippi. Middle Row: Dan Eaton, Bob Abbott, Lenord Morris, Dave Bliss, Mike Lassard, Paul Angelo. Front Row: Steve Jesson, Mark Jamplis, Steve Clete, Dale Wilson, Dave Young, Jay Fraser, Ralph Herd.

The offensive backfield had tremendous depth. Colby Howe and Dave Young led the main attacks with valuable back up from hard-hitting Dale Wilson and agile Jay Fraser. Howe ended up second in the league in total rushing, and also made first team All-SPAL. Other All-league honors went to Dave Young, for his brilliant defense, Dave Bliss, and Ed Dobbs.

This past football season will be remembered as a year of irony. Though the team fought with great determination, the breaks fell to the other teams. Prospect for next year??? A Championship Season!!

A mud covered Colby Howe slips through a determined San Carlos line.

The Bears gang up on an unfortunate Wildcat.

M-A—12 Paly—6

In their first league match the Bears went all out to defeat favored Palo Alto. They trailed 7-6 with two minutes left, but a 30 yard Young to Howe bomb won the game 12-6. Ironically though, Paly went on to tie for the league championship edging out M-A.

M-A—26 Sequoia—0

Colby Howe and Dale Wilson ran all over the Sequoia defense in a 26-0 night game romp at Terremere Field. The Cherokees, who scored in only two games this season, were held to only two first downs in the onslaught. M-A had to punt only once all night.

Colby Howe crushes the Woodside line for some vital yardage.

M-A—0 Ravenswood—0

Ravenswood, after losing to Palo Alto 39-0, took a big bite out of the title minded hopes of M-A. Only a bruising goal line stand kept the Trojans from scoring in the fourth quarter, while the Bear's offense never got started. The score was 0-0.

M-A—38 Carlmont—19

A swarm of angry Bears descended on Carlmont and tore its defense to shreds. Dave Young unleashed an aerial barrage and even caught a TD pass himself. M-A won 38-19 despite three touchdowns for the Scots, all on plays covering more than 50 yards.

Dave Young unwillingly punts the ball to Gunn in a game that saw much action, and even more water.

M-A—39 Cubberley—0

Cubberley's Cougars were the next ones to be caught in the Bear holocaust. The offense seemed to own the field; the defense stopped Cubberley cold and the scoreboard read 39-0. Offensively, Cubberley was completely ineffective against the Kodiak squad of M-A.

Jay Fraser takes the ball for a substantial gain against Sequoia, as Ron Ward leads interference.

Ron Ward leads the interference as Ralph Herd splashes on.

M-A—6 Woodside—7

Co-champions Woodside held on to a small lead all game to barely defeat the Bears in the big game of the year. Dick Moldre's PAT won the game 7-6. M-A was in scoring position three times, sending Colby Howe and Dale Wilson at the Wildcat line but all attempts failed.

Roger Andrews launches a successful completion in a game with Cubberly.

M-A—24 Gunn—14

Gunn's tame Titans suddenly came alive against M-A and they almost gained a tie. The Bears won 24-14 as the two teams scored three times in the final four minutes. Dave Young's long kickoff return inspired the Bears to score one minute from the gun.

It took an effort like that above to bring down hard charging Dale Wilson.

M-A—13 San Carlos—0

Terremere Field was a scene of steady rain as the Bears met the San Carlos Dons. Young, Howe, and Dale Wilson led M-A's powered offense to a 13-0 conquest in spite of the weather. The Bears closed out with a fine 6-1-1 league record to take 3rd place in the SPAL.

Mark Jamplis rambles past Carlmont pursuers after snaring pass from Dave Young.

Middle Row: Bob Wallace, Alan Fischer, Tom Jarvis, Bob Bryan, Bob Bohle, Peter Selaya, Joe Tresidder, Edward Luck, Alan Conrad, Fred Klingel. Back Row: Coach Frank Bettencourt, Victor Zurcher, Charles Bradley, James Cook, Phillip Bossett, Bruce Copenhagen, Pete Korman, Wayne Walcott, Gregory Baker, Ronald Frazee.

Freshman Football

The Freshman football squad did have one of its finer seasons ending the season with a 2-3-1 record. Lee South, offensive halfback led the offensive attack. South was voted Back of the Year, Mitch Glassey was top lineman and Tom Nelson was voted "Headhunter of the Year", for making the most tackles. Coach Bill Whitaker described the season as a poor one.

Frosh-Soph

Although their record does not show it, actually the F-S Football was a fine squad. They played very aggressive football and hit hard. The team finished the season in sixth position with a 3-5 record. Ron Brown, All-SPAL defensive back, QB Tony Walcott and Al Fisher, who both received All-SPAL Honorable Mention honors, were all stand-out performers. Tony Walcott was also voted most valuable player and Bob Bryan most improved. Defensive end Steve Burnside and center Bruce Copenhagen were also top players. The squad faired well toward the end of the season winning two out of the last four games. Prospects for next year are not very encouraging.

Freshmen Football

Front Row: James Stamper, Jay Gertridge, Jon Roy, Pete Nieuwland, Charles Frye, Gary Burns. Gordon MacLachlan, Pete Karbowski, Tom Lodato, Coach Bill Whitaker. Middle Row: Ron Gillard, Kevin Fennell, Ron Feibusch, Lee South, Mitch Glassey, Doug Woods, Eddie Berg, Roger Bailey. Back Row: John Harpster, Denny McKenzie, Mike Harrold, Steve Vignau, Tom Nelson.

Bill Hatcher tries to elude Woodside tackler, with some success.

GOLF

Glenn Hatlett

Ben Browning

Kent Klokow

It has only been two years since golf was renewed as a team sport at M-A. Golf has only been a team sport two years now. Early in the season, this year's squad had high hopes of pulling off its second successive championship. However, an unfortunate loss to Carlmont put a tight clamp on these hopes. Ben Browning led the six man squad to a fine second place finish, winning ten while losing only two. Browning won every match but one, while Glenn Hatlett, Kent Klokow, and Lory Godbe backed him up. Hatlett, Klokow, and Godbe each won the majority of their matches. The top six players are all juniors, so the potential for next year's squad is obvious.

1965 Varsity Water Poloists

Top Row: John McElwrath, Don Parsons, Pete Damsgaard, Bill Brandt, Mike Martin, David Abramson, Frank Aronoff. Bottom Row: Tod Spieker, Scott Jordon, Jeff Lapierre, Bruce Snyder, Dennis Nugent, Greg Burns, Lindsey Buckingham, Robert Jensen.

Though this year's Bear poloists did not live up to the standards set by the previous varsity teams, the squad did have a truly successful year ending the season with a tie for second in league play and was rated the fourth best Water Polo team in Northern California. The outcome at the end of the season was due to a very slow start. It was also due to the fact that the Water Polo team had a new coach in Mr. Corbin. With the likes of All-SPAL performers Bill Brandt, Don Parsons, and Rob Jensen, the Bears rapidly picked up the pace and finished very strong. Next year, Coach Corbin will have stand-out performers like Jeff Lapierre, Rob Jensen, Tod Spieker, and Lindsey Buckingham back on the team, with a fine crop of Sophomores coming up.

Lindsey Buckingham keeps a close guard on a Paly poloist.

Frosh-Soph Water Polo

Top Row: Chris Abramson, James Parsons, Bart Hill, Doug Roth, Dave Andrews, Mike Clements, Rick Speed, Brad MacLean. Bottom Row: Steve Hoffman, Rich DeJ'Aurequi, Rick Diederichson, Gary Taramaschi, Chris Avery, Tom Andree, James Brandt.

This year's Frosh-Soph Water Polo team had some fine talent, for the team placed very well. First year Coach Corbin was very pleased with the performance of the squad, though their third place finish does not really display how well they played. Outstanding performers, who helped M-A to their third place hold in the SPAL, were Doug Roth and Brad McLean, both all-leaguers. Jim Parsons, Tom Andree and Chris Abramson were great assists in establishing the Bears as league contenders. Coach Corbin is hopeful that next year will bring some fine freshmen poloists, for he is losing all his fine sophomores to the varsity squad.

As Brad MacLean sets up a shot, he keeps the ball well away from a diluted rival.

Tony Walcott outjumps opponent to pop it in for another goal.

A fine showing at the end of the season proved the potential championship caliber of this year's varsity squad. In the final contest of the year, the bears took on all ready league champions San Carlos, defeating the Dons in the last seconds of play, ending the season in rather spectacular fashion. Unfortunately the bears were not consistent, having been defeated by a close margin a number of times. Nonetheless, the bears finished their league play with a record of 9-7, placing fifth in the S.P.A.L. Co-captain and 2nd. team All-Leaguer Al Klein led the varsity squad through the exasperating season, while 6'9" center Roscoe Dudley controlled a major share of rebounds. Steve Sherman and Randy Dementer proved to be valuable assets to this year's squad, with Steve Sherman receiving Honorable Mention recognition. Gary Dilley, though hampered by ailments, turned in a fine year, contributing greatly to the bears' cause. Sophomore Tony Walcott jumped to the starting five for a few games, performing well under pressure, with some very fine ball handling helping him along. Though coach Loftus is losing 3 of his outstanding performers, recruits from "B" basketball and the return of Randy Demeter, Tony Walcott and Roscoe Dudley should make next year's varsity team very competitive.

B Basketball

L. to R., Calvin Noble, Larry Brassea, Jim Miner, Hal Daseking, Ned Salz, Ken Harris, Mike Clements, Jack Daly, Bob Bohle, Ron Guglielmetti, Pete Moy.

In recent years, the Menlo-Atherton "B" Basketball squad has never been known for a poor season. This year was no exception. The bearcubs came up with an undefeated season, taking not only the league championship, but a pre-season Christmas tournament, also. In the pre-season series, Calvin Noble and Pete Moy, co-captains for this year's squad, were placed on the all-tournament team, while in regular season play Noble, Moy and Ken Harris were all honored on the first team all-SPAL. The "B's" were loaded with outstanding talent, which was backed up by tremendous depth. Ken Harris, who set an all-league record of 222 rebounds in one season, was voted most valuable player. Jim Miner received recognition in the SPAL honorable mention balloting for all-league honors. Other outstanding performers on this year's squad receiving honors were Steve Peck, who was voted most inspirational player and Jack Daly was was voted the athletic endeavor award. Since Coach John Barrett came to Menlo-Atherton two years ago, he has produced two potential championship teams, taking the coveted title this year. Even if Mr. Barrett does lose a few men to the varsity, the team will still be in fine shape to defend the title next year.

"C" Basketball

This year's "C" squad came up with a very respectable third place in the S.P.A.L. standings. The team had a fine starting squad, but there was a great lack of depth in the team as a whole. The team was honored by having three members of the team placed on the All-S.P.A.L. These three standout players were Louis Agront, Lance Kindal, and Edmound Harris. Assisting the team in a fine season were Steve Rosenbaum and John Gardi, who was voted the most improved player and most inspirational. Louis Agront was voted most valuable player and Lance Kindal was awarded Captain of the team.

Kelvin Boyd goes high to gain control of opening tip off.

"D" Basketball

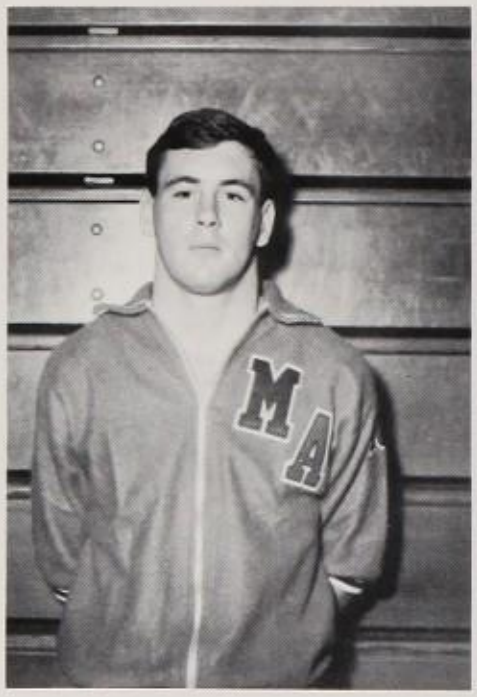
As with most years, M-A fielded a fine "D" Basketball team, although to look at their record would not show it. The performance of the squad deserve more applause than it received. The "D" 's got off to a very good start with Ron Pardini, Bill Jackson, and Kelvin Boyd leading the team to a string of victories. Unfortunately, the team slacked off, but they still managed to place two players on all-league teams. Bill Jackson was named to the first team All-S.P.A.L. and Kelvin Boyd received second team honors. Ron Pardini was voted the Captain of the team, Marvin Noble was voted most improved and Bill Jackson was acclaimed most valuable player.

Wrestling Squad

Back Row: John Johnson, Tim O'Allessandro, Scott Bloom, Dave Rountree, Henry Noble, Dan Britts, Mike Lynch, Reven Fennell, Paul Sisson, Dave Denola, Dave Copeland, Tim Fennell, Tom Bassett, Ron Frazee. Front Row: Robin South, Alan Masoaka, John Brothen, Tim Noble, Coach Enayati.

First year wrestling coach, Mr. Enyati, produced one of the finest grappling squads since the days of Russ Banducci. Fortune fell upon M-A this year when they gained the likes of Dave Copeland from the East Coast. When the season ended, Dave had a fantastic record of 64 wins and not one loss! Having no serious competition, Dave went through the season with the ease of Willie Mays playing Little League baseball.

Not to be disregarded, this year's squad came up with two other league champions. Mike Lynch took the 133 pound division,



Dave Copeland

while Henry Noble handled the 120 pound class. An overall team championship hope was severely damaged when last year's 112 pound champion, Steve Rosenbaum, became bedridden with a serious illness. The Bears still managed to pull out an uncontested third spot in the SPAL. Tom Bassett contributed greatly, coming up with a fine third place in the tough 191 pound class. Coach Enyati felt the team, overall, was an 100% improvement and has excellent prospects for next year.

Tom Bassett pushes his strength to the limit in an effort to obtain the pin.

Being in only its second year of competition, this year's team fared well against a very tough and improved league. In a game determining the fourth place finisher in the SPAL, M-A just barely lost out to Cubberly. The Bears took a well-deserved fifth place. Mr. Boettcher was very pleased with their performance and did not feel the season was a total loss, managing to place Mike Marymee on the first team all-SPAL. Marcelo Martinez and Nop Panitchpakdi were honored by their varsity squad as co-captains as was Terry Lawrance voted Most Improved player. Coach Boettcher mentioned that the reason the SPAL was so tough is that it is very well-balanced and competition is tremendous between all the schools in the league. The J-V and Reserve squads fared about as well as the Varsity. The J-V team voted John McElwrath the Most Valuable player, Chris Paine the Most Improved player, and Dick Metzger their Captain. There lies a great deal of enthusiasm among this select group of soccer players and their play is improving greatly. For such a new sport, soccer has caught on very rapidly, and successfully, and a team of championship caliber can be expected within a few years.

Baseball has always been a strong point of Menlo-Atherton sports. This year's squad carried on the tradition in fine style, taking a hard fought, yet disappointing second in the SPAL. The Bears' league total was eleven wins against only five losses, and total season record was 15-6. Colby Howe had a great season leading the league batters with a .397 average. Howe, along with Dave Young were selected to All-League honors, both of them making the first team at their respective positions. With the champion sophomores coming up to the varsity next year, Coach Bettencourt can well expect a championship contender.

For three of the last four years, the Frosh-Soph Baseball team has been SPAL Champions. This year was no exception. Towards the end of the season, the team tended to slack off but pulled through to a championship, finishing the season with a 12-4 record. Ron Guglielmetti and Tony Wolcott were the sparks of the squad, and their teammates showed their appreciation by voting the Most Valuable player award and Team Captain award to Guglielmetti and Wolcott respectively. Other players receiving team awards were Larry Brassea, Most Improved and Lance Kendall, Most Inspirational. This year's squad had tremendous depth, and Coach Bill Whitaker is confident about next year's season, having many of his top freshmen returning to the Frosh-Soph team.

Although this year's swim team has not quite been up to par with previous seasons, both the Varsity and the "C" squads pulled out fine records. The "C" 's showed the most promise, tying for first place in the S.P.A.L. along with a 6-1 league record. The Varsity took third in a tough league, finishing out with a 5-2 record. One bright spot was the presence of Tod Spieker who took the 220 free style at S.P.A.L. Championships in record time, automatically making eligible for All-American honors. Backing up Spieker on the Varsity Team were the likes of Rob Jensen, Dennis Nugent, and Jeff Lapierre; none of whom could be considered easy rivals in any race. Rich De Jaurequi led the "C" swimming attack. Mr. Corbin can look for an equally respectable season next year, if not better.

Due to a lack of depth, this year's Varsity Track team struggled through a disappointing season, winning only two dual meets out of seven. However, the "B" 's season was a totally opposite story. The "B" squad produced an outstanding season, taking second place in the S.P.A.L., third in the Region Meet and fourth in the Central Coast Championships. Al Masaoka was voted most outstanding for his success on the track field this year. Gary Dilley was voted Team Captain and Most Inspirational player. Dave Smith pole vaulted to 12' 6¼" to become Sequoia District Champion. The most outstanding "B" team athlete, Bill Hatcher, sprinted to the district S.P.A.L. and Central Coast Championship. He also anchored the "B" relay team, which consisted of Hatcher, Ray Williams, Ray Walker, and Jim Stomper. Steve Gavazza pulled an upset win in the S.P.A.L. Championships to become the 880 Champion, and Dan Britts took S.P.A.L. one mile Championship. The "C" 's produced their best record since 1962, which was 8-3 and took third place in the S.P.A.L. John Gordi was voted the most outstanding athlete on the "C" 's. With almost the entire "B" squad becoming Varsity next year, Coach Plato Yanicks is confident of a championship season.

Varsity Cross Country

Actually, this was the initial year for the Cross Country squads. This being their first full fiedged year, all three teams did very well, especially the top notch varsity team. The five members of the varsity team came through with an 11-3 record for their first year in league play. Having five meets on the J-V schedule, the M-A Junior Varsity team took all five. The Frosh squad had two meets, winning one, losing the other. Dan Britts, voted most outstanding Cross Country runner, John Newton, most valuable player, and Steve Gavazza, all of whom are record holders, contributed greatly. Bob Mallory was voted most outstanding Sophomore and Skip Parodi received honors for most outstanding Freshman. Outstanding runners for the J-V's were Frank Merrill, John Shidler, and Phil DeJauregui and the Freshmen were led by Skip Parodi, Ernie Trevino, and Gordon Krengel. Coach Plato Yanicks is confident that he may take the SPAL title next year.

Having only three players returning from last year's team, this year's squad managed a respectable 4th place. Their final statistics showed them winning eight matches while losing six. Team Captain Chris Van Deinse and Tom Carter were selected to the first team All-SPAL. Glen DeMaria and Brian Boucher received Honorable Mention recognition. Van Deinse was the only player on the M-A tennis team to reach the SPAL semifinals in singles. The Varsity was backed up by a strong reserve team, headed by Junior Dick Gregory, reserve team captain. The reserves ended the season in fourth place and with an 8-4 record. Mr. Mitchel is hopeful of a championship season next year, for nearly the entire team is returning.

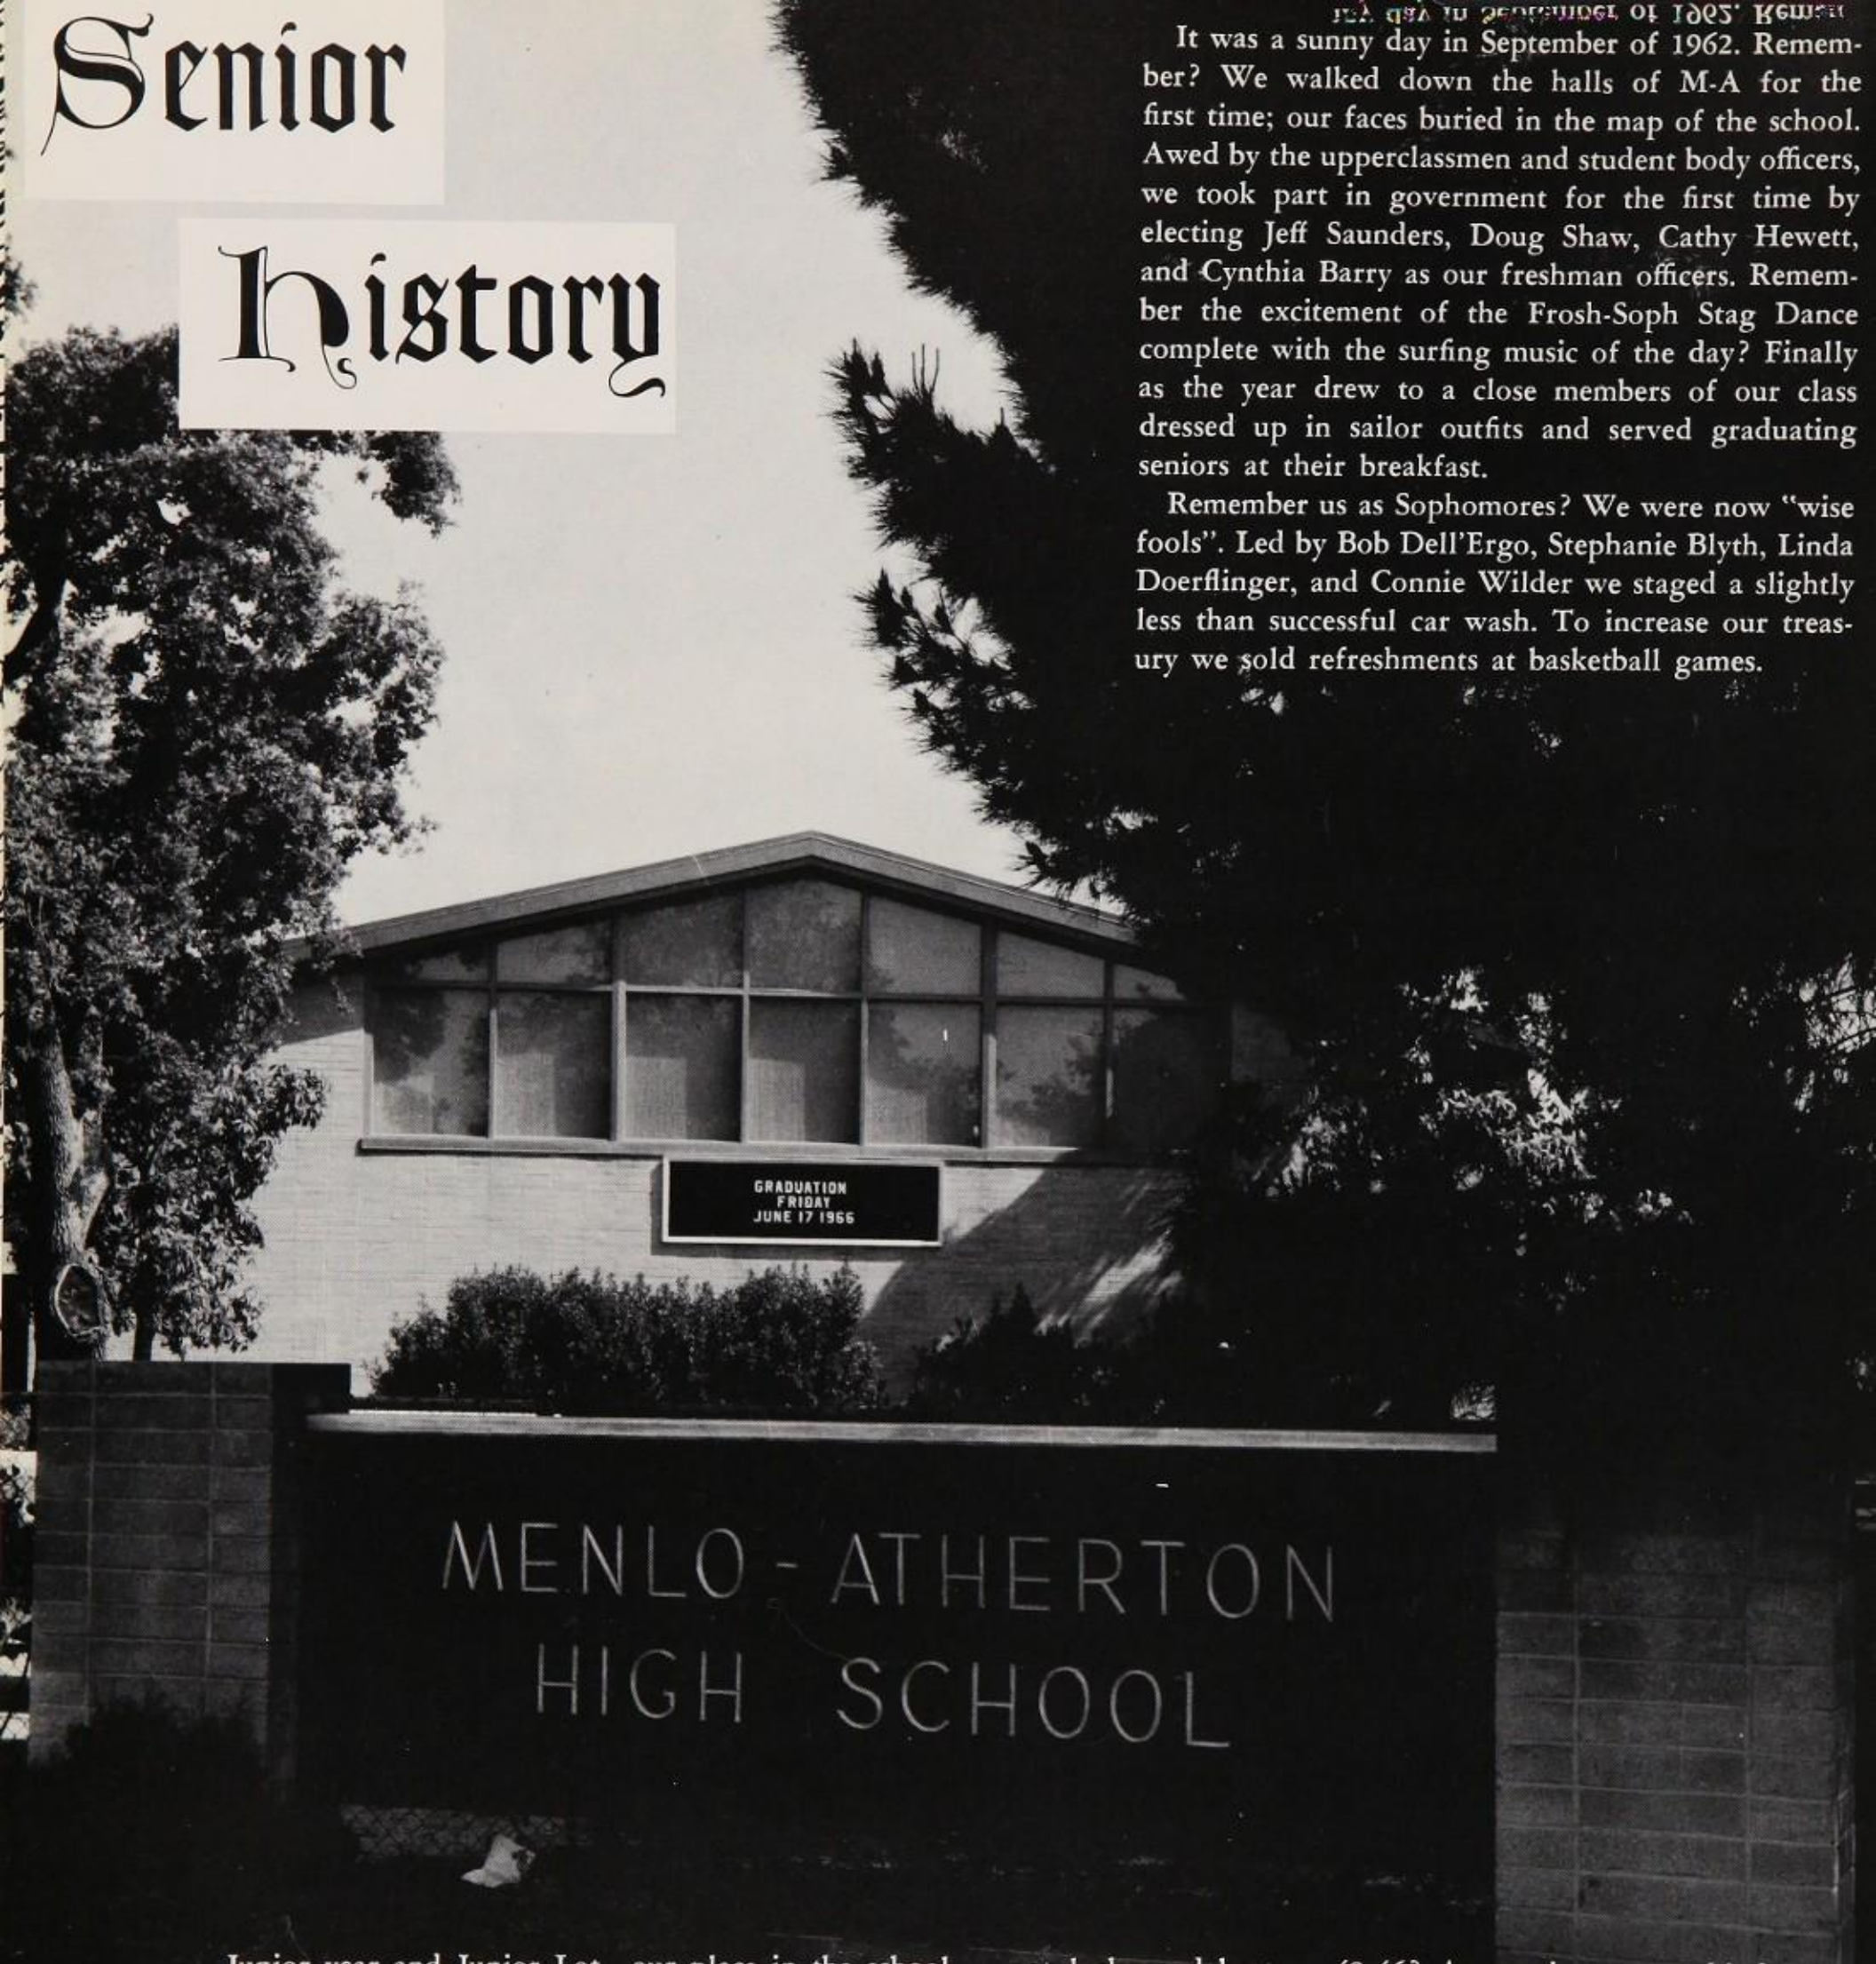
Senior History

It was a sunny day in September of 1962. Remember? We walked down the halls of M-A for the first time; our faces buried in the map of the school. Awed by the upperclassmen and student body officers, we took part in government for the first time by electing Jeff Saunders, Doug Shaw, Cathy Hewett, and Cynthia Barry as our freshman officers. Remember the excitement of the Frosh-Soph Stag Dance complete with the surfing music of the day? Finally as the year drew to a close members of our class dressed up in sailor outfits and served graduating seniors at their breakfast.

Remember us as Sophomores? We were now "wise fools". Led by Bob Dell'Ergo, Stephanie Blyth, Linda Doerflinger, and Connie Wilder we staged a slightly less than successful car wash. To increase our treasury we sold refreshments at basketball games.



Junior year and Junior Lot—our place in the school more firmly implanted. Officers Tom Perkins, Doreen Hamilton, Alice MacCorkle, and Judy Young helped our class plan a successful Junior Prom, "Paris La Nuit". Remember the towering statue of the Eiffel Tower and the crowning of Princess Pam Myers?

Then after three years of studying and playing we became Seniors—the rulers, the leaders of the school. We cast ballots for the last time and elected Jay Fraser, Steve Weldon, Lynn Albachten, and Donna Brock. Senior year was filled with special events. Remember the Senior-Faculty Basketball Game when the Fatmen got lucky and beat us 48-46? Attempting a new kind of drama we produced "The Flies" and "The Bald Soprano" as our class plays. Our Senior Ball, "Soft Light and Crystal", that magic evening during which Barbara Lyddane was crowned Queen, will not be forgotten. All of a sudden the band was playing "Maroon and Gold", diplomas were being handed to each of us, and we were participating in our Grad Nite festivities. Could our high school years possibly be over, all our work completed? Yes, it was true, and now we are on our own.

Senior

Rob Rodgers was the owner of a 1965 Buick Gran Sport, one of the best looking, as well as fastest cars in the lot. It had a four speed transmission and a 401 cubic inch engine, plus a 4:56 positraction rear end. With the black naugahyde upholstery, this puts together one of the best combinations of speed and appearance to be seen in the lot.

Heaps

Mike Rosenberg's beautifully restored 1929 Model A five window coupe added a touch of dignity to Senior Lot this year. With only stock four cylinder engine, this car wasn't much for speed, but it did look pretty good, and Mike was very proud of it.

Vicky Stashuk is the only girl to have her car named to the "Senior Heaps" section. Her 1965 Corvair Corsa has a 167 cubic inch four cylinder engine. This, coupled with a four speed floor box, made this car a great little roadracer. The black leather interior and dark green paint job with the white convertible top gave this car a very clean appearance.

Dave Copeland had a 1965 Chevelle Malibu Super Sport. With a 327 cubic inch engine, a four speed, and a 9:56 positraction rear end, there was plenty there to jump whenever Dave got on it. This car was a familiar sight around Senior Lot with its mags, tiger paws, and silver-blue paint job—that is, until it got impounded.

Paris la Nuit, the Junior Prom for 1965, was held on the evening of May 22. Couples danced to the music of Walt Tolson's orchestra at the Menlo Park Recreation Center. Princess Pam Myers ruled over her court, with attendants Judy Young, O. J. Devencenzi, Joan L'Hommedieu, Alice MacCorkle, and Cynthia Barry.

Soft Light and Crystal

April 30, 1966 was the evening on which the Senior Ball, "Soft Light and Crystal" was held. The Peninsula Golf and Country Club was the setting and Ray Hackett and his orchestra provided music to which the couples danced. The highlight of the evening was the crowning of Queen Barbara Lyddane and her court—Marilyn Tindall, O. J. Devincenzi, Alice MacCorkle and Stevie Nicks. It was agreed by all that "Soft Light and Crystal" was a very successful Senior Ball.

Activities

The Class of 1966!

This year's Senior Week activities began with Baccalaureate Vespers held on Sunday, June 12th. Principal Donald E. McClean and the Reverend Cyril Leach spoke to the seniors and their parents concerning the need of faith in the future. A social hour followed in the Student Patio. Seniors then returned to classes for two days. Revoking an old tradition, this year's Senior Class voted against a Senior Picnic. Instead the Seniors congregated for a beach party at Pescadero on Wednesday, June 15th. The Senior Breakfast was held on Thursday, June 16th at 7:30 a.m. The Class of 1969 hosted the breakfast with a coffee house theme. The menu consisted of orange juice, ham and eggs, potatoes, sweet rolls, and milk. Special guests were the California Girls, an all-girl band, who entertained as the Seniors ate breakfast. The Seniors were to be present at 9:00 a.m. on the Football Field for graduation practice. For more than three hours the Class of 1966 marched to the music of "Pomp and Circumstance". Grades were distributed instead of diplomas as the graduates practiced which hand was for shaking and which for receiving that coveted paper. Senior Week Activities closed as Seniors made preparations for the big night — Graduation!!

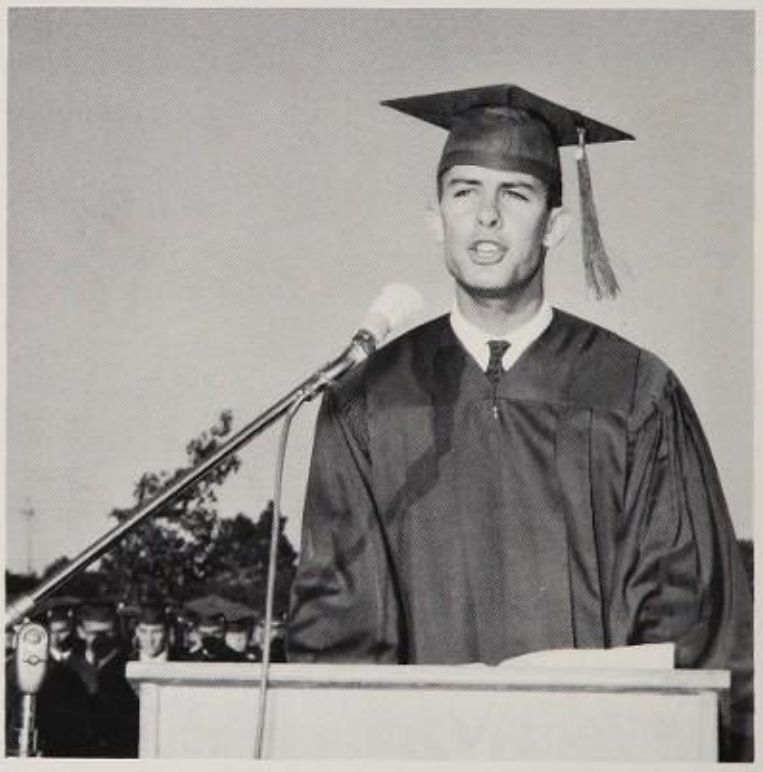
Graduation Honors

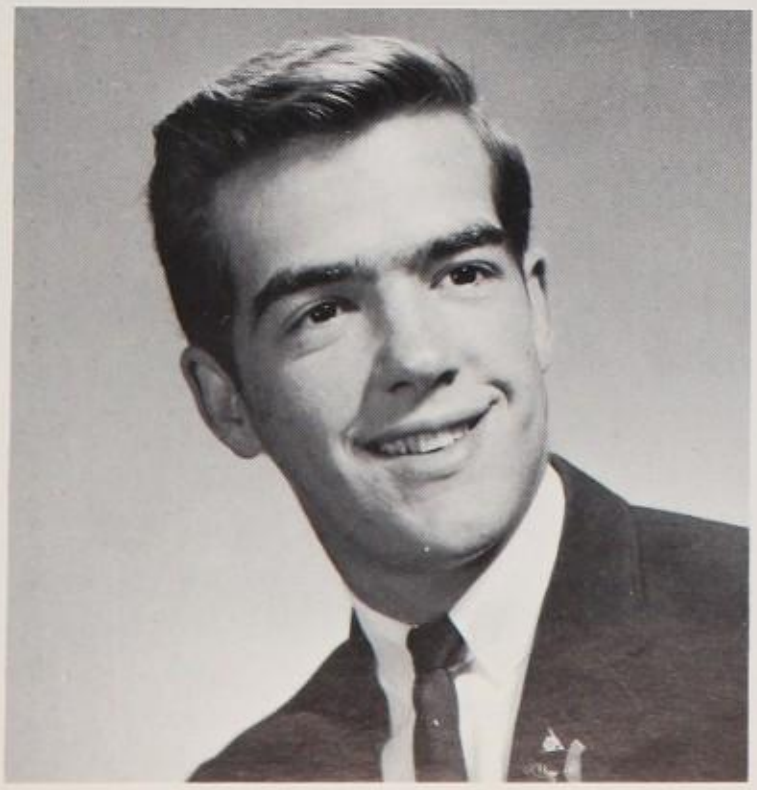
Janice Tweet was the Valedictorian for the Class of 1966. Her numerous activities at M-A have included three years in band, two years as a majorette, three years of dedicated service of MASS, and active participation in the Interracial Club, the Golden Key Society, and Oak Leaves.

In her Senior year, Janice was honored with several awards —100% membership in CSF, a Golden Key, the Pinninah Spence Award for outstanding accomplishment in English, the PTA award for social sciences, the Bank of America Award for fine arts, and an Elks Club Scholarship Contest award. Her effort and ability have resulted in the winning of a state scholarship and the award of Honors at Entrance at UCLA.

The Class of 1966 is privileged to have Janice, a fine student in both academic and extra-curricular fields, as our Valedictorian.



Salutatorian for 1966 was Steve Weldon. In the field of forensics, Steve has won several honors in and out of M-A. As a member of the Forensic Club for three years, he won the All-School Oratorical Contest in 1965 and 1966—the first person to win it twice. For the Lion's Club, Steve was the winner in 1964 and 1966 and a Zone Finalist. Steve's other awards included the State Quarter Finalist for Optimist International and the Encyclopedia Brittanica Award for the outstanding Junior Classman. He was also a member of the golf team, campus representative to Macy's Stanford, and Senior Class Vice-President. M-A is certainly honored to have such an outstanding Senior as our Salutatorian.



The Silver Seal award is one of the highest honors available to graduating seniors. It is awarded for obtaining 1,000 Golden Key points, outstanding citizenship, good scholarship, and faculty-administration recommendations.

Among Tom's numerous and varied activities and honors were the following: four years in the Audio-Visual Crew, including positions as Chief Announcer and Crew Chief in his junior and senior years; Menlo-Atherton representative for Boys' State after his junior year; work on student productions, including chairman of the lights and sets committees, and the publicity committee; a number of awards in his senior year, such as the Burgess Citizenship Award, first prize in the Regional German Teachers' Test, and an award for an economics essay; president of the German Club for two years; and a representative to the Freshman board.

Tom has earned this award through his innumerable services to the school, only some of which have been mentioned here.
